ZONING BOARD OF APPEALS STAFF REPORT

FOR: City of Novi Zoning Board of Appeals

ZONING BOARD APPEALS DATE: December 12, 2023

Postponed to:
January 9, 2024

REGARDING: 48120 Eight Mile Road, Parcel # 50-22-32-400-022 (PZ23-0061)

BY: Alan Hall, Deputy Director Community Development

I. GENERAL INFORMATION:

Applicant

The Antiques Barn

Variance Type

Use Variance

Property Characteristics

Zoning District: This property is zoned Residential Acreage (R-4)

Location: north of Eight Mile Road, west of Beck Road

Parcel #: 50-22-32-400-022

Request

The applicant is requesting a variance from the City of Novi Zoning Ordinance Section 3.1.1 previously authorized in case PZ94-005 and later in case number PZ98-0070 to be transferred from the petitioner to the property. This variance was granted for the petitioner at that time to utilize the existing barn as an antique shop in a R-A zoned district, and was specifically intended for the previous petitioner only, and only for the use described at that time.

II. STAFF COMMENTS:

The applicant is seeking a use variance for the selling of antiques within an existing barn-type structure. The use was granted in the past to the petitioner rather than the property itself with strict conditions for the selling of items only with no provisions for expanded activities beyond this provision. The applicant is seeking a similar variance, which seems applicable if the same provisions are adhered to that which was approved previously. (Postponed to allow the petitioner to be able to define the terms of sale, bring all concerned parties, and further explain all use activities at the next meeting.)

III. RECOMMENDATION:

The Zoning Board of Appeals may take one of the following actions:

I move that we **grant** the use variance in Case No. PZ__-____, sought by _____, for _____ to allow Petitioner to use the property for _____ because the Petitioner has established an unnecessary hardship:

- (a) Petitioner can not reasonably use the property as permitted in the _____ zoning district because (either):
 - 1. The unique circumstances of the property consisting of _____ prevents _____, or,
 - 2. The physical condition of the property consisting of _____ prevents _____,

And, the condition is not a personal or economic hardship.

- (b) Using the property for _____ in the _____ zoning district will not alter the essential character of the area because _____.
- (c) Petitioner and his predecessors did not create the need for this variance because _____.
- (d) *The variance is granted subject to:*
 - 1. _____
 - 2. _____
 - 3. _____
 - 4. _____.

I move that we **deny** the use variance in Case No. PZ__-____, sought by _____, for _____ because the Petitioner has **not** established an unnecessary hardship:

- (a) Petitioner has not established that a hardship regarding the current zoning designation of the property, as the property can be reasonably used as zoned because_____.
- (b) Petitioner has not established unique circumstances or unique physical conditions regarding the property because _____.
- (c) The variance requested is based on the Petitioner’s personal or economic hardship because Petitioner stated _____.
- (d) The proposed use will alter the essential character of area by_____.
- (e) The Petitioner has created the need for the variance by_____.

REVIEW STANDARDS USE VARIANCE

For Use Variances: A use variance may be granted by the Zoning Board of Appeals only in cases where the applicant demonstrates in the official record of the public hearing that undue hardship exists by showing all of the following:

In the space below, and on additional paper if necessary, explain how the proposed project meets each of the following standards.

Standard #1. Cannot Be Reasonably Used.

Explain how the land, building or structure cannot be reasonably used for any of the uses permitted by right or by special land use permit in the zoning district in which it is located.

The existing "The Barn in Northville" located on the premises of 48120 Eight Mile Road has been used as an antique shop in the RA Zoning district for many decades due to the uniqueness of the situation and the piece of property. The original farm it served is long gone, and it is not suitable for use as intended when it was built in the 1850s.

Standard #2. Circumstances or Physical Conditions.

Explain how the need for the requested variance is due to unique circumstances or physical conditions of the property involved, such as narrowness, shallowness, shape, water, topography, or similar physical conditions and is not due to the applicant's personal or economic hardship.

The barn is located on a busy stretch of eight mile road west of Beck Rd. It is a unique structure that remains as one of the few standing barns in Novi.

Standard #3. Character of the Neighborhood.

Explain how the proposed use will not alter the essential character of the neighborhood.

The Barn has been a part of the Novi and Northville communities' history for decades. There is no request for the change in use that would affect the character of the neighborhood.

Standard #4. Not Self-Created.

Explain how the need for the requested variance is not the result of actions of the property owner or previous property owners (i.e., is not self-created).

In February of 1994, the variance was transferred to the then new owner containing a stipulation of "For this petitioner only" (case 94-005). In September 1998, the property was transferred and the use variance granted containing "This will be limited to this petitioner only". The request to the ZBA is that this clause be removed so the use variance transfers with the property.
