

Enhance

promoting healthy, active lifestyles

Enhance newsletter shifts to digital format

If you are one of the more than 12,500 residents who take advantage of all Novi Older Adult Services has to offer, you're in luck.

We are taking the Enhance newsletter you use to stay informed and going digital. Not only will you have all you need to enhance your healthy, active lifestyle at your fingertips, but you will also get the information more often as we switch to a monthly format.

Our older adults are among the fastest-growing segment of the population in Novi and this group is as active and involved as ever before.

You enjoy special events, exercise to stay physically fit, lead a support group and volunteer your time to help others. And we believe this new

version of Enhance will help you not only stay connected but expand your options even further.

Every month, starting in January, we will be sending the most up-to-date information about classes, programs and special events to enhance your healthy, active lifestyle right to your inbox. Sign up is easy and can be done at cityofnovi.org or in person at the Novi Older Adult Services office.

If you have any questions, please don't hesitate to call **248.347.0414** or stop by our offices inside the Novi Civic Center. We would love to connect with you!
