Whereas, May 18 - 24, 2008 is National Public Works Week; and

Whereas, public works services provided in our community our an integral part of our citizens' everyday lives; and

Whereas, the support and understanding of the citizenry is vital to the efficient operations of public works systems and programs such as water, sewers, drains, streets, public buildings, and recycling; and

Whereas, the health, safety, and comfort of this community greatly depends on these facilities and services; and

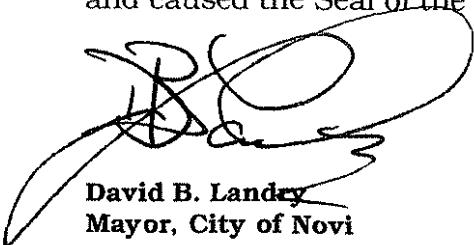

Whereas, the quality and effectiveness of these facilities, as well as their planning, design and construction, is vitally dependent upon the efforts and skill of public works officials; and

Whereas, the efficiency of the qualified and dedicated personnel who staff public works departments is materially influenced by the people's attitude and understanding of the important of the work they perform; and

Whereas, with quiet dedication, public works personnel strive to improve the quality of life for present and future generations.

Now, therefore, I, David B. Landry, Mayor of the City of Novi, on behalf of the Novi City Council, call upon all citizens and civic organizations to acquaint themselves with the issues involved in providing our public works, and to recognize the efforts which public works officials make everyday to our health, safety, comfort and quality of life.

In witness thereof, on this 12th day of May, 2008, I have hereunto set my hand and caused the Seal of the City of Novi to be affixed.
