

PROCLAMATION

National Public Works Week
May 16-22, 2010

Whereas, public works services play an important role in preserving and enhancing the health, safety and quality of life of our citizens; and,

Whereas, public support of these services is vital to the sustainability of the City's parks and urban forests, and our water, sewer and roadway infrastructure systems; and,

Whereas, the successful planning, design, construction, operation, and maintenance of Novi's public works would not be possible without the knowledge, skills and dedication of Department of Public Services workers.

Now, therefore, I, David B. Landry, Mayor of the City of Novi do hereby proclaim the week of May 16-22, 2010 as "**National Public Works Week**" in the City of Novi, and I call upon all citizens to acquaint themselves with public works issues and to recognize the contributions that public works professionals make to our everyday lives.

Signed and sealed this 17th day of May, Two Thousand and Ten.

David B. Landry
Mayor, City of Novi
