SUBJECT: Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$22 for a temporary grading permit on the ACR, LLC/Barduca property (parcel 50-22-25-400-029) for the purpose of constructing a pedestrian safety path on the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road subject to confirmation of final description and drawings by Director of Public Services and City Attorney's office.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BLC*

CITY MANAGER APPROVAL: *Clay M*

EXPENDITURE REQUIRED	\$22
AMOUNT BUDGETED	\$46,500 (Engineering and Right-of-way acquisition)
LINE ITEM NUMBER	204-204.00-974.421 (Municipal Street Fund)

BACKGROUND INFORMATION:

As part of the design phase of the proposed shared use pathway along the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road, three permanent pathway easements and 13 temporary grading permits have been identified to facilitate construction. Please see the attached January 31, 2011 memo from Ben Croy for additional background.

As stated in the enclosed documentation, a temporary grading permit is required for the ACR, LLC/Barduca property located at just west of 39630 Nine Mile to facilitate construction of the proposed pathway. Pending the confirmation of the final description and drawings for the parcel, a final letter will be sent to the property owner requesting donation of the temporary grading permit. As required by federal law, and in conformance with MDOT's Transportation Enhancement grant requirements for this project, the letter also informs the property owner that they are entitled to compensation in the amount of \$22. While engineering and easement acquisition costs are not covered by the grant, these tasks must be performed in compliance with grant requirements to receive the funding.

The attached resolution is being requested in the event that the easement is not donated and the City needs to present the offer. The resolution is being requested at this time in order to remain in compliance with the grant's schedule. The property owner will have until March 1, 2011 to grant the easement either by donation or for the amount stated in the letter. Following the March deadline, the city will begin proceedings to acquire the easements through eminent domain. If the easement is donated, the resolution will not be needed.

RECOMMENDED ACTION: Approval of a Resolution Concerning Acquisition and Approving Declaration of Necessity and Taking and authorization of Offer to Purchase in the amount of \$22 for a temporary grading permit on the ACR, LLC/Barduca property (parcel 50-22-25-400-029) for the purpose of constructing a pedestrian safety path on the north side of Nine Mile Road between Meadowbrook Road and Haggerty Road subject to confirmation of final description and drawings by Director of Public Services and City Attorney's office.
