

# CITY of NOVI CITY COUNCIL

Agenda Item F January 9, 2012

**SUBJECT:** Approval to award the purchase of a John Deere 85D Hydraulic Excavator to JDE Equipment Company in the amount of \$83,866.

SUBMITTING DEPARTMENT: Department of Public Services / Water & Sewer Division

CITY MANAGER APPROVAL:

EXPENDITURE REQUIRED	\$83,866
ADDITIONAL AMOUNT REQUIRED	\$0
LINE ITEM NUMBER	592-000.00-140.000 (Water & Sewer Fund)

#### BACKGROUND INFORMATION:

The Water & Sewer Fund's capital expenditures recommended for 2011-12 included \$85,000 for a mini excavator. An excavator is a vital tool for performing operations and maintenance work in DPS's Water & Sewer Division, as underground infrastructure frequently requires soil excavation for maintenance and repairs. The new unit will enhance DPS's ability to efficiently repair and maintain Novi's underground infrastructure.

The new John Deere 85D unit will replace the existing JCB 214 backhoe in the City's fleet, which is 15 years old and beyond its useful life. This piece of equipment will enhance service to the community by providing increased power and digging capacity, which will improve productivity in the field. In addition, the 85D unit is equipped with rubber tracks that will minimize disturbance to the ground and reduce the cost of site restoration.

The John Deere 85D will be procured through the MiDeal Contract between the State of Michigan and JDE Equipment Co. of Grand Rapids, Michigan. The State of Michigan MiDeal Program allows Michigan's local units of government to benefit from the State's purchasing power by permitting them to purchase from the State contract at the same terms and prices.

The MiDeal contract pricing discounts the John Deere 85D and all optional equipment 28 percent from the manufacturer's list price. The discounted price for the unit is \$102,866. The trade-in allowance for the backhoe unit being replaced is \$19,000, bringing the net price of the new unit to \$83,866. Delivery will take place by May 2012.

**RECOMMENDED ACTION:** Approval to award the purchase of a John Deere 85D Hydraulic Excavator to JDE Equipment Company in the amount of \$83,866

#### Contract No. 071B1300116

#### 2.273 Systems Changes

Contractor is not responsible for and not authorized to make changes to any State systems without written authorization from the Project Manager. Any changes Contractor makes to State systems with the State's approval must be done according to applicable State procedures, including security, access and configuration management procedures.

#### 2.280 Extended Purchasing

#### 2.281 MIDEAL

Act Number 431 of the Public Acts of 1984 permits the State of Michigan, Department of Technology. Management and Budget, to provide purchasing services to any city, village, county, township, school district, intermediate school district, non-profit hospital, institution of higher education, community, or junior college. As a result of the enactment of this legislation, the MiDEAL Program has been developed. This program extends the use of state contracts to program members. The governmental agency must enter into an agreement with the State of Michigan to become authorized to participate, thus ensuring that local units of government secure a greater return for the expenditure of public funds.

In those cases, contract vendors supply merchandise at the established State of Michigan contract prices and terms. The contract vendor must submit invoices and pay the authorized MiDEAL member on a direct and individual basis according to contract terms.

IT IS MANDATORY THAT THIS CONTRACT BE MADE AVAILABLE TO ALL STATE OF MICHIGAN AGENCIES, AUTHORIZED MIDEAL PURCHASING PROGRAM MEMBERS, AND NASPO MEMBER STATES.

Please Visit Mi DEAL at www.michigan.gov/mideal under MiDEAL.

#### 2.282 State Employee Purchases - Deleted, Not Applicable

#### 2.290 Environmental Provision

#### 2.291 Environmental Provision

Energy Efficiency Purchasing Policy – The State seeks wherever possible to purchase energy efficient products. This includes giving preference to U.S. Environmental Protection Agency (EPA) certified 'Energy Star' products for any category of products for which EPA has established Energy Star certification. For other purchases, the State may include energy efficiency as one of the priority factors to consider when choosing among comparable products.

Environmental Purchasing Policy – The State of Michigan is committed to encouraging the use of products and services that impact the environment less than competing products. The State is accomplishing this by including environmental considerations in purchasing decisions, while remaining fiscally responsible, to promote practices that improve worker health, conserve natural resources, and prevent pollution. Environmental components that are to be considered include: recycled content and recyclability; energy efficiency; and the presence of undesirable materials in the products, especially those toxic chemicals which are persistent and bioaccumulative. The Contractor should be able to supply products containing recycled and environmentally preferable materials that meet performance requirements and is encouraged to offer such products throughout the duration of this Contract. Information on any relevant third party certification (such as Green Seal, Energy Star, etc.) should also be provided.

#### Hazardous Materials:

For the purposes of this Section, "Hazardous Materials" is a generic term used to describe asbestos. ACBMs, PCBs, petroleum products, construction materials including paint thinners, solvents, gasoline, oil, and any other material the manufacture, use, treatment, storage, transportation or disposal of which is regulated by the federal, state or local laws governing the protection of the public health, natural resources or the environment. This includes, but is not limited to, materials the as batteries and circuit packs, and other materials that are regulated as
