

## MEMORANDUM

**TO:** BARBARA MCBETH, COMMUNITY DEVELOPMENT DEPUTY  
DIRECTOR

**FROM:** KRISTEN KAPELANSKI, PLANNER

**SUBJECT:** SP08-25 MACKENZIE NORTH TECHNOLOGY CENTRE  
EXTENSION OF PRELIMINARY SITE PLAN APPROVAL FOR  
APRIL 28, 2010 PLANNING COMMISSION MEETING

**DATE:** APRIL 16, 2010

---

The subject property is approximately 6.1 acres and the applicant is proposing to construct a speculative 55,187 square foot one-story general office building at the northwest corner of Mackenzie Drive and Haggerty Road, north of 13 Mile Road.

Approvals for the project proceeded as follows:

- The Planning Commission granted Stormwater Management Plan approval and Preliminary Site Plan approval subject to conditions on July 16, 2008.
- Final Site Plan approval was granted administratively on September 16, 2008.
- A one year extension of the Preliminary Site Plan approval was granted by the Planning Commission on May 20, 2009.

The applicant has now requested a second extension of the Preliminary Site Plan approval. The Zoning ordinance allows for up to three one-year extensions of Preliminary and Final Site Plan approval. The applicant has received one preliminary site plan extension prior to this request.

The Community Development Department is not aware of any changes to the ordinances, or surrounding land uses, which would affect the approval of the requested extension for one year. Approval of the extension of the Preliminary Site Plan approval is recommended.

Please refer to the attached letter, which requests the extension of the Preliminary Site Plan approval. Also attached are minutes from pertinent Planning Commission meetings, and a reduced copy of the approved site plan.

## MATTERS FOR CONSIDERATION

### 1. MACKENZIE NORTH TECHNOLOGY CENTRE, SP08-25

Consideration of the request of Northern Equities Group for Preliminary Site Plan and Stormwater Management Plan approval. The subject property is located in Section 1, at the northwest corner of MacKenzie Drive and Haggerty Road, north of Thirteen Mile, in the OST, Planned Office Service Technology District. The subject property is approximately 6.09 acres and the Applicant is proposing to construct a speculative 55,187 square foot one-story general office building.

Planner Kristen Kapelanski described the project. This speculative building will be bordered by vacant land to the north, west and south – all land within the Haggerty Corporate Corridor Park, Phase 2. McKenzie South will be located on the southwest corner of MacKenzie and Haggerty. The site and its surrounds are zoned OST. Across Haggerty in Farmington Hills is the RP-2, Planned Residential District. The Future Land Use Map indicates Office uses for this and the surrounding sites. There are no existing regulated woodlands on the site. The reviews all noted minor items to be addressed at the time of Final Site Plan submittal. The plan is in substantial compliance with the Ordinance.

Joe Drolshagen represented the Applicant. He mentioned the activity occurring within this industrial park. Harman Becker has just announced their relocation into the LaSalle South building. The new Cabot Drive is completed. He offered to answer any questions.

Member Pehrson thought the reviews noted all the positives of the design.

Moved by Member Pehrson, seconded by Member Burke:

**In the matter of Mackenzie North Technology Centre, SP08-25, motion to approve the Preliminary Site Plan subject to the conditions and items listed in the Staff and Consultant review letters being addressed**

**on the Final Site Plan, for the reasons that the plan is otherwise in compliance with Article 23A, Article 24 and Article 25 of the Zoning Ordinance and all other applicable provisions of the Ordinance.**

**DISCUSSION**

Chair Cassis confirmed that the parking count inconsistency is not a lingering issue. Ms. Kapelanski said the problem is more of a typographical nature than a parking problem.
