CERTIFICATE: We hereby certify to: GOLD STAR MORTGAGE, INC.
mortgages that we have surveyed the above-described property in accordance with the description furnished and confirmed to be correct by mortgagee or mortgagee's title company for the purpose of a new mortgage loan to be made by JAMES STREET AND MARY STREET

mortgagor, and that the buildings located thereon do not encroach on the adjoining property, nor do the buildings on the adjoining property encroach upon the property heretofore described, except as shown; and that we examined the Flood Hazard Boundary Maps (Community I.D. NO. 260175 0005 C Effective Date MAY 3, 1983) prepared in accordance with the National Flood Insurance Program of 1968 as revised and that the property as shown above, description furnished by you, is located INSIDE ZONE X of a designated flood area as shown on said map. The location of fences, driveways, other buildings, and non-permanent structures shown are only approximate. Any easements shown are either recorded in the subdivision plot or appear in the instrument referenced in the title policy, if both have been furnished to us. This survey does not locate or identify the existence or absence of utilities entering, lying or crossing above or below the property. This report is to be used for mortgage purposes only and not for the purpose of establishing property lines, nor for construction purposes. No property lines were established and no property corners were set. This is not an ALTA type survey. This cannot be used for future refinance purposes or transferred to any future property owners.
