This letter is to support the request for a sign variance for our tenant, Tradewinds Spas. Due to the current difficult economic conditions, we have negotiated with them to move from City Center Plaza, Suite 130 to a smaller unit in the same plaza, Suite 124. Tradewinds Spas has been a good tenant for over 2 years. The sign in question was properly permitted and installed when they moved to Suite 130. The new smaller suite apparently places the existing wall sign out of basic code requirements. The size difference does not, we feel, look out of place or cause a problem within the plaza.

Again, we support this request for a variance because of the unique economic circumstances and hardships our retailers are experiencing.

Sincerely,

A handwritten signature in black ink that reads "George S. Keros". The signature is written in a cursive style with a long, sweeping underline.
