

CITY of NOVI CITY COUNCIL

Agenda Item E
October 22, 2018

SUBJECT: Approval to purchase (2) service body up-fits from Knapheide Truck Equipment, in the amount of \$23,772.52 through the MiDeal Cooperative Purchasing Contract.

SUBMITTING DEPARTMENT: Department of Public Works, Fleet Asset Division
Department of Public Works, Field Operations Division

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$23,772.52
AMOUNT BUDGETED	\$35,406
APPROPRIATION REQUIRED	N/A
LINE ITEM NUMBER	101-442.20-982.010

BACKGROUND INFORMATION:

The proposed service body purchases will be retrofitted on existing standard pick-up chassis to secure tools and equipment for field crews. Each unit can be outfitted with doors, cabinets, lighting, and power adapters to meet City service needs. With the current truck configuration, crews can carry limited tools exposed to the elements on job sites. By purchasing a utility box that fits on a pick up chassis, crews can customize vehicles to fit the needs of their specific division.

The two being units requested in the FY 2018-19 budget are for Field Operations Division work leaders in the DPW. The trucks will perform operations such as boardwalks, sidewalks, infrared road repair, parking lot maintenance, road maintenance, drain maintenance, and catch basin repairs.

RECOMMENDED ACTION: Approval to purchase (2) service body up-fits from Knapheide Truck Equipment, in the amount of \$23,772.52 through the MiDeal Cooperative Purchasing Contract.
