

CITY OF NOVI CITY COUNCIL
FEBRUARY 24, 2020

SUBJECT: Approval of recommendation for student representative to the Library Board.

SUBMITTING DEPARTMENT: City Clerk

BACKGROUND INFORMATION: Council voted to approve the Commission Interview Committee's recommendations to Youth Council on December 16th. One of the students appointed to Youth Council had already been serving as Student Representative to the Library Board. The student did not reference this on her application or presentation, so the conflict wasn't discovered until after the appointment process when the Booklet List was updated. The student was informed that it was not permissible to serve on both boards, and she would be considered resigned from the Library Board. Students who interviewed but were not appointed in December 2019 were contacted to confirm their interest in serving on the Library Board. The Commission Interview Committee met on Thursday, February 13th and discussed the candidates. The Committee decided to recommend Sarah Chang, who initially expressed interest in serving on the Library Board.

RECOMMENDED ACTION: Approval of recommendation for student representative to the Library Board.
