

# CITY of NOVI CITY COUNCIL

**Agenda Item K**  
**May 9, 2016**

**SUBJECT:** Approval of Traffic Control Order 16-20 requiring eastbound Woodglen to yield to Quince in Orchard Hills Subdivision.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division *BTC RJA*

**CITY MANAGER APPROVAL:** *[Signature]*

**BACKGROUND INFORMATION:**

The developer of Orchard Hills North extended an existing stub street in Orchard Hills Subdivision to construct the new development. There was no existing traffic control for Woodglen Drive at Quince because of the limited traffic prior to the new development. Now that homes are being sold in Orchard Hills North, staff evaluated the intersection of Woodglen and Quince and is recommending the installation of a yield sign for eastbound Woodglen.

Traffic control orders are required by the Uniform Traffic Code (adopted by Section 33-51 of the Novi Ordinance) to enforce traffic control signs that have been installed on public streets.

Upon approval of the traffic control order, the yield sign will be scheduled for installation by DPS' Field Operations Division.

**RECOMMENDED ACTION:** Approval of Traffic Control Order 16-20 requiring eastbound Woodglen to yield to Quince in Orchard Hills Subdivision.
