November 27, 2017**

SUBJECT: Approval to purchase two 2018 Chevrolet Colorado extended cab 4x4 Chassis for Community Development and Forestry from Berger Chevrolet Inc. using an Oakland County Contract, in the amount of \$54,194.

SUBMITTING DEPARTMENT: Community Development
Department of Public Services, Fleet Division

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 54,194.00
AMOUNT BUDGETED	\$ 54,194.00
APPROPRIATION REQUIRED	N/A
LINE ITEM NUMBER	101-371.00-983.011 (Community Development) 209-000.00-983.015 (Dedicated Vehicle - New)

BACKGROUND INFORMATION:

The 2018 Chevrolet Colorado will replace the current #111 2009 Jeep Liberty with almost 70,000 miles. The current Jeep has started to have electrical issues along with many other wearable major parts that will have to be replaced in the next year.

This vehicle is used daily by Building Division staff to access construction and other sites under a variety of conditions, necessitating four wheel drive capacity. In terms of resource efficiency, the Community Development Department has been requesting only four cylinder powertrains for the recent years and this replacement would leave only a single vehicle not so equipped.

The approved FY 2017/2018 budget includes the procurement of a new dedicated vehicle for the Forestry Asset Section of the Field Operations Division. This truck provides forestry team members the ability to perform inspections, to transport small amounts of brush and specialized tools, and to offer enhanced services to residents who require quick attention. The vehicle has 4X4 capabilities and a small tow package, which provides the ability to travel off road, or pull small trailers when needed.

The truck is proposed to be procured using the Oakland County Cooperative Purchasing contract. The contract allows the City to take advantage of pricing incentives and expedites delivery times.

The 2018 Chevrolet Colorado's are anticipated to be delivered in the third quarter.

RECOMMENDED ACTION: Approval to purchase two 2018 Chevrolet Colorado extended cab 4x4 Chassis for Community Development and Forestry from Berger Chevrolet Inc. using an Oakland County Contract, in the amount of \$54,194.
