

**CITY OF NOVI CITY COUNCIL**  
**MAY 8, 2023**

**SUBJECT:** Approval of a Storm Drainage Facility Maintenance Easement Agreement from AMKT Novi Reality, LLC for Storie Lou Plaza, located on the North of Grand River Ave. East of Novi Road (parcel 50-22-14-352-002).

**SUBMITTING DEPARTMENT:** Department of Public Works, Engineering Division

**BACKGROUND INFORMATION:**

The developer of Storie Lou Plaza requests approval of the Storm Drainage Facility Maintenance Easement Agreement (SDFMEA) for the storm water management system associated with the project.

The SDFMEA is a Storm Water Management Ordinance requirement and details the responsibilities of the property owner to properly maintain their privately owned on-site storm water system.

The enclosed agreement has been favorably reviewed by the City Attorney (Beth Saarela, October 11, 2021) and the City Engineering consultant (Spalding DeDecker, February 14, 2022), and is recommended for approval.

**RECOMMENDED ACTION:** Approval of a Storm Drainage Facility Maintenance Easement Agreement from AMKT Novi Reality, LLC for Storie Lou Plaza, located North of Grand River Avenue East of Novi Road (parcel 50-22-14-352-002).

**Re: *Storie Lou Plaza JSP 20-0019***  
***Storm Drainage Facility Maintenance Easement Agreement***

Dear Mr. Herczeg:

We have received and reviewed and enclosed please find the Storm Drainage Facility Maintenance Easement Agreement for storm water drainage facilities serving the Storie Lou Plaza development. The Storm Drainage Facility Maintenance Easement Agreement is in the City's standard format and is acceptable as provided. The City's Consulting Engineer has reviewed and approved the attached exhibits. The Agreement appears to be in order and may be placed on an upcoming City Council Agenda for approval. Once approved and executed by the City, the Agreement should be recorded with Oakland County Records by the City Clerk's Office.

Please feel free to contact me with any questions or concerns in regard to this matter.

Very truly yours,

ROSATI SCHULTZ JOPPICH  
& AMTSBUECHLER PC

**STORM DRAINAGE FACILITY**  
**MAINTENANCE EASEMENT AGREEMENT**

THIS EASEMENT AGREEMENT is made this 18 day of June, 2021, by and between Novi Road Retail  
Mgmt LLC, a Michigan CORPORATION, whose address is 30200 TELEGRAPH RD, SUITE 205, BINGHAM FARMS, MI 48025 (hereinafter the "Owner"), and the City of Novi, its successors, assigns, or transferees, whose address is 45175 Ten Mile Road, Novi, MI 48375 (hereinafter the "City").

RECITATIONS:

- A. Owner is the owner and developer of a certain parcel of land situated in Section \_ of the City of Novi, Oakland County, Michigan, described on the attached and incorporated **Exhibit A** (the "Property"). Owner has received final site plan approval for construction of a 7,000 SQUARE FOOT MULTI-TENANT development on the Property.
- B. The 7,000 SQUARE FOOT MULTI-TENANT development, shall contain certain storm drainage, detention and/or retention facilities, including but not limited to, a detention/sedimentation basin, for the collection, conveyance, storage, treatment and/or discharge of storm water from the Property in accordance with all approved plans, and all applicable ordinances, laws and regulations.

NOW, THEREFORE, the Owner hereby covenants and agrees that the Owner shall, at its own expense, perpetually preserve, maintain, and repair all storm drainage, detention and retention facilities, including all wetlands which are part of the system, to insure that the same continue to function as intended. The Owner shall establish a regular and systematic program of maintenance (the "Schedule of Maintenance") for such facilities and areas to insure that the physical condition and intended function of such areas and facilities shall be preserved and maintained. The Schedule of Maintenance and the annual estimated costs for maintenance and repairs for the first three (3) years are described in the attached Exhibit B.

In the event that the Owner shall at any time fail to carry out the responsibilities specified within this agreement, and/or in the event of a failure to preserve and/or maintain the storm water drainage, detention and retention facilities in reasonable order and condition, the City may serve

written notice upon the Owner setting forth the deficiencies in maintenance and/or preservation along with a demand that the deficiencies be cured within a stated reasonable time period, and the date, time and place for a hearing before the City for the purpose of allowing Owner an opportunity to be heard as to why the City should not proceed with the correction of the deficiency or obligation which has not been undertaken or properly fulfilled. At any such hearing, the time for curing and the hearing itself may be extended and/or continued to a date certain. If, following such hearing, the person conducting the hearing shall determine that the obligation has not been fulfilled or failure corrected within the time specified in the notice, as determined by the City in its reasonable discretion, the City shall thereupon have the power and authority, but not the obligation, to enter upon the Property, or cause its agents or contractors to enter the Property through the Ingress/Egress Easement Area as described and depicted in **Exhibit C** and perform such obligation or take such corrective measures as reasonably found by the City to be appropriate or necessary with respect to the detention/sedimentation basin within the Detention/Sedimentation Basin Easement Area described and depicted in **Exhibit D**, for the purposes described above. The cost and expense of making and financing such actions by the City, including notices by the City and reasonable legal fees incurred by the City, plus an administrative fee in an amount equivalent to twenty-five (25%) percent of the total of all such costs and expenses incurred, shall be paid by Owner within thirty (30) days of a billing to the Owner. All unpaid amounts may be placed on the delinquent tax roll of the City as to the Property, and shall accrue interest and penalties, and shall be collected as, and deemed delinquent real property taxes, according to the laws made and provided for the collection of delinquent real property taxes. In the discretion of the City, such costs and expenses may be collected by suit initiated against the Owner, and, in such event, the Owner shall pay all court costs and reasonable attorney fees incurred by the City in connection with such suit.

The Owner, its agents, representatives, successors, and assigns shall defend, indemnify, and hold harmless the City and the City's, elected officials, agents and employees, from any and all costs, claims, suits, actions, losses, damages, or demands, including court costs and attorneys' fees, relating in any way to or arising out of the design, construction, use, inspection, maintenance, repair, or operation (or omissions in such regard) of the storm drainage system which is the subject of this Agreement.

The parties hereto make this Agreement on behalf of themselves, their heirs, successors, assigns and transferees, and hereby warrant that they have the authority and capacity to execute this Agreement and bind the property as described in the terms and conditions of this agreement.

Invalidation of any of these covenants or conditions by Judgment or Court Order shall in no way affect the validity of any other provision which shall remain in full force and effect.

This agreement shall run with the land and be binding upon all owners, their agents, heirs, successors, assigns and transferees.

IN WITNESS WHEREOF, Owner has executed this Agreement as of the day and year first above set forth.

## EXHIBIT "B" - STORM DRAINAGE FACILITY MAINTENANCE AGREEMENT

### A. Physical Limits of the Storm Water Management System

The storm water management system (SWMS) subject to this long-term maintenance plan (Plan) is depicted on Exhibit D to the permit and includes without limitation the storm sewers, swales, catch basins, manholes, inlets, manufactured treatment system, underground detention system, flow restrictor structure and outlet pipe that conveys flow from the underground detention system into the Novi Road storm system. For the purposes of this plan, this SWMS and all of its components as shown in Exhibit D is referred to as "Storie Lou Plaza SWMS".

### B. Time Frame for Long-Term Maintenance Responsibility

Novi Road Retail Management, LLC is responsible for maintaining the Storie Lou Plaza SWMS including complying with applicable requirements of the local or Oakland County soil erosion and sedimentation control program until Oakland County releases the construction permit. Long-term maintenance responsibility for the Storie Lou Plaza SWMS commences when defined by the maintenance permit issued by the County. Long-term maintenance continues in perpetuity.

### C. Manner of Insuring Maintenance Responsibility

The City of Novi has assumed responsibility for long-term maintenance of Storie Lou Plaza SWMS. Novi Road Retail Management, LLC, through a maintenance agreement with the City of Novi, has agreed to perform the maintenance activities required by this plan. The City of Novi retains the right to enter the property and perform the necessary maintenance of Storie Lou Plaza SWMS if Novi Road Retail Management, LLC fails to perform the required maintenance activities.

To ensure that the Storie Lou Plaza SWMS is maintained in perpetuity, the map of the physical limits of the storm water management system (Exhibit D), this plan (Exhibit B), the ingress/egress easement area (Exhibit C), and the storm drainage facility maintenance easement agreement between the City of Novi and the property owner will be recorded with the Oakland County Register of Deeds. Upon recording, a copy of the recorded documents will be provided to the County.

### D. Long-Term Maintenance Plan and Schedule

Table 1 identifies the maintenance activities to be performed, organized by category (monitoring/inspections, preventative maintenance, and remedial actions). Table 1 also identifies site-specific work needed to ensure that the storm water management system functions properly as designed.

<b>TABLE 1</b>								
<b>MAINTENANCE ACTIVITIES</b>	<b>SYSTEM COMPONENTS</b>	Storm Collection System (Sewers, Swales, Catch Basins, Manholes)	Inlets to Detention Basin	Underground Detention Basin	Flow Restrictor Structure & Outlet Pipe	Pavement Areas	<b>FREQUENCY</b>	<b>Cost per Occurrence</b>
<b>Monitoring / Inspection</b>								
Inspect for Sediment Accumulation/Clogging	X	X	X	X	X		Annually	\$25.00
Inspect for Floatables, Dead Vegetation & Debris	X	X	X	X	X		Annually & After Major Events	\$25.00
Inspect for Erosion And Integrity of System	X	X	X	X	X		Annually & After Major Events	\$25.00
Ensure Maintenance Access Remain Open/Clear	X	X	X	X	X		Annually	\$25.00
<b>Preventative Maintenance</b>								
Remove Accumulated Sediments	X	X	X	X			As Needed (See Note Below)	\$50.00
Remove Floatables, Debris, Invasive & Dead Vegetation	X						As Needed	\$50.00
Sweeping of Paved Surfaces						X	As Needed	\$25.00
<b>Remedial Actions</b>								
Repair/Stabilize Areas of Erosion	X	X	X	X			As Needed	\$200.00
Structural Repairs	X	X	X	X			As Needed	\$500.00
Make Adjustments/Repairs to Ensure Proper Functioning	X	X	X	X			As Needed	\$200.00
							<b>Total Annual Budget</b>	<b>\$1,125.00</b>

*\*Costs shown are estimated and are to be used for planning and budgeting purposes only.*

**NOTE:** Manufactured treatment system and underground detention system to be cleaned according to the manufacturer's recommendations; at a minimum, whenever sediments accumulate to a depth of 6-12 inches, or if sediment resuspension is observed.

Re: Storie Lou - Acceptance Documents Review  
Novi # JSP20-0019  
SDA Job No. NV21-211  
**DOCUMENTS APPROVED**

Dear Mr. Herczeg:

We have reviewed the Acceptance Document Package received by our office on February 9, 2022 against the Final Site Plan (Stamping Set) approved on July 21, 2021. We offer the following comments:

**Initial Acceptance Documents:**

1. Storm Drainage Facility / Maintenance Easement Agreement  
(executed 06/16/2021: exhibit dated 06/28/2021)  
Exhibits A, B, C, & D Approved.
2. Quit Claim Deed for Highway Easement – Novi Road  
(executed 06/18/2021: exhibit dated 11/19/2021)  
Exhibits Approved.

Unless otherwise stated above, the documents as submitted were found to be acceptable by our office pending review by the City Attorney. Legal review will not occur until a current title policy is submitted to the City. For those documents which require revisions, please forward those revised documents to the City for further review and approval.

The City Attorney's Office will retain the original documents in their files until such time as they are approved and ready (notarized and executed properly) for the mayor's signature.

**It should be noted** that the Plan Review Center Report dated April 20, 2021 contains all documentation requirements necessary prior to construction and occupancy of the facility.

If you have any questions regarding this matter, please contact this office at your convenience.

Sincerely,

**SPALDING DEDECKER**

Storm Water Detention System Inspection**  
Novi SP No.: JSP20-0019  
SDA Job No.: NV21-211

Dear Mrs. Anjum:

This letter serves to officially notify you that we have reviewed the status of the storm water detention systems including storm sewer piping, underground detention system, and the outlet control structure for the above mentioned project. As a result of this review, we have determined the storm water detention system to be in general conformance with the approved construction plans and recommend a full release of this financial guarantee.

If you have any questions, please do not hesitate to contact us at our office.

Sincerely,

**SPALDING DeDECKER**
