

**CITY OF NOVI CITY COUNCIL
JUNE 6, 2022**

SUBJECT: Consideration of setting interviews for candidates for City Assessor position.

SUBMITTING DEPARTMENT: City Manager

BACKGROUND INFORMATION:

Five individuals submitted applications to fill the position of outgoing City Assessor Micheal Lohmeier, who has accepted a position with Oakland County. As the office of City Assessor is a City Council appointment interviews for the position must be held in open session. However, because the candidates have requested confidentiality up until the point of accepting an invitation to interview with the Council, the candidates' names have not been revealed publicly and will not be revealed unless and until they accept the invitation to interview.

The candidates have been assigned numbers 1 through 5. Council has been given a separate memorandum from Assistant City Manager Cardenas that confirms each candidate's assigned number.

City Council needs to determine which, if any, candidates that it wants to interview by reference to their numbers.

RECOMMENDED ACTION: Move to invite candidate numbers _____ to interview with the City Council for the position of City Assessor on June ____, 2022.
