

CITY OF NOVI CITY COUNCIL
JUNE 15, 2020

SUBJECT: Adoption of a resolution seeking reimbursement from Oakland County for expenses associated with the City of Novi's annual Mosquito Control Program.

SUBMITTING DEPARTMENT: Department of Public Works, Field Operations Division

BACKGROUND INFORMATION: The Department of Public Works continues to work with Oakland County Health Division officials to identify and destroy mosquito habitats to prevent the spread of the West Nile Virus (and incidentally, the Zika Virus). By participating in the County's program, DPW's Field Operations Division has been effectively treating catch basins and standing water areas with chemical pesticide briquettes. The briquettes are distributed annually in late spring and are effective for 180 days.

County health officials continue to emphasize the importance of public education on mosquito control, early source reduction, and strong personal protection measures. City staff promotes public awareness of these topics on the local cable access channel, the City's website, at homeowner association meetings, and at City events.

The Oakland County Board of Commissioners has approved this year's reimbursement for West Nile Virus expenses incurred by cities, villages, and townships (CVT). Each qualifying CVT receives funds according to a formula established by the County (75% for populations/25% for total square miles). This year the City's reimbursement will be \$8,249.42. The cost to purchase the required amount of chemical briquettes was \$14,997.23, for a difference of \$6,747.81, which was expended against the Drain Fund.

RECOMMENDED ACTION: Adoption of a resolution seeking reimbursement from Oakland County for expenses associated with the City of Novi's annual Mosquito Control Program.

Re: Reimbursement from the West Nile Virus Fund Request

Dear Ms. Doolittle:

The City of Novi would like to request reimbursement for expenses we expect to incur this year to purchase larvicide tablets for distribution into catch basins and public ponds. Attached for your review is the City of Novi's mosquito control project description and a quote for 17 cases of Natular XRT tablets (\$14,997.23).

Currently we have 14 cases of Natular XRT tablets that we will be distributing into catch basins and public ponds during the month of April. We also have 113 cases of Ben's deet mosquito repellent that will be dispersed at community special events and outdoor activities coordinated by our Parks Recreation and Cultural Services Department.

The City promotes mosquito control activities to the community at regular gatherings, homeowner association meetings, the local cable access channel, the City's website, and through community newsletters.

If approved for reimbursement, we will submit an authorizing resolution to your office by July 1, 2020 and product invoices by August 17, 2020.

If you have any questions regarding our program, please contact me.

Sincerely,

Matt Wiktorowski
Field Operations Senior Manager

PROJECT DESCRIPTION

For the past 17 years, the Public Works Field Operations Division has executed a larvicide briquette program. The program consists of distributing briquettes/tablets into catch basins and public ponds as recommended by Oakland County. Each application is effective for approximately 180 days.

Last year we purchased Ben's deet mosquito repellent that was dispersed at community special events and outdoor activities coordinated by our Parks Recreation and Cultural Services Department.

Currently we have 14 cases of Natular XRT tablets that we will be distributing into catch basins and public ponds during the month of April. We also currently have 113 cases of Ben's deet mosquito repellent that will be dispersed at community special events and outdoor activities coordinated by our Parks Recreation and Cultural Services Department.

The City of Novi continually promotes mosquito control activities through public education, basin cleaning, and monitoring for potential mosquito breeding areas.

CITY OF NOVI
COUNTY OF OAKLAND, MICHIGAN

RESOLUTION
AUTHORIZING WEST NILE VIRUS FUND EXPENSE
REIMBURSEMENT REQUEST

Minutes of a Meeting of the City Council of the City of Novi, County of Oakland, Michigan, held in the City Hall of said City on _____, _____, at ____ o'clock P.M. Prevailing Eastern Time.

PRESENT: Councilmembers _____

ABSENT: Councilmembers _____

The following preamble and Resolution were offered by Councilmember _____ and supported by Councilmember _____.

WHEREAS; the Oakland County Board of Commissioners has established a West Nile Virus Fund Program to assist Oakland County cities, villages, and townships in addressing mosquito control activities; and,

WHEREAS; Oakland County's West Nile Virus Fund Program authorizes Oakland County cities, villages, and townships to apply for reimbursement of expenses incurred in connection with mosquito protection activities, mosquito larviciding; and,

WHEREAS; the City of Novi has incurred expenses in connection with mosquito control activities; and,

WHEREAS; the City of Novi is eligible for reimbursement under Oakland County's West Nile Virus Fund Program.

NOW, THEREFORE, BE IT RESOLVED, that the Novi City Council authorizes the Department of Public Works, Field Operations Senior Manager, Matt Wiktorowski, as agent for the City of Novi, to request reimbursement for mosquito control activities under Oakland County's West Nile Virus Fund Program.

AYES:

NAYS:

RESOLUTION DECLARED ADOPTED.

Cortney Hanson, City Clerk

CERTIFICATION

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Novi, County of Oakland, and State of Michigan, at a regular meeting held this ____ day of _____, 2020, and that public notice of said meeting was given pursuant to and in full compliance with Act No. 267, Public Acts of Michigan, 1976, and that the minutes of said meeting have been kept and made available to the public as required by said Act.

Cortney Hanson, City Clerk
City of Novi
