

CITY of NOVI CITY COUNCIL

Agenda Item F
March 27, 2017

SUBJECT: Approval to award an amendment to the engineering services agreement with Spalding DeDecker for design engineering services associated with the 2017 Neighborhood Road Program (NRP) in the amount of \$89,195.02.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division GDM

CITY MANAGER APPROVAL: 

EXPENDITURE REQUIRED	\$ 89,195.02
AMOUNT BUDGETED	\$ 90,000.00
LINE ITEM NUMBER	203-203.00-64.170

BACKGROUND INFORMATION:

Each year, the City of Novi selects residential streets for reconstruction, repaving, repair, and/or rehabilitation based on PASER ratings, staff's field observations and resident concerns. City staff worked with our consultant, Spalding DeDecker, to develop a list of streets for the 2017 program. The design award is based upon a \$2,394,971.00 construction estimate, which was divided into 3 contracts for logistical reasons. Each contract includes the following streets (maps attached):

2017 NRP Contract 1: (Concrete):

Irvine Drive
Kings Pointe Drive
Moorgate Street
Park Ridge Road

2017 NRP Contract 2: (Concrete):

Chase Drive
Glen Haven Circle
Roscommon Street
Wintergreen Circle

2017 NRP Contract 3 (Asphalt):

Buckingham Court
Buckminster Drive
Chattman Drive
Ennishore Drive
Greening Drive
Hampton Hill Road
Lochmoor Lane
Petros Boulevard

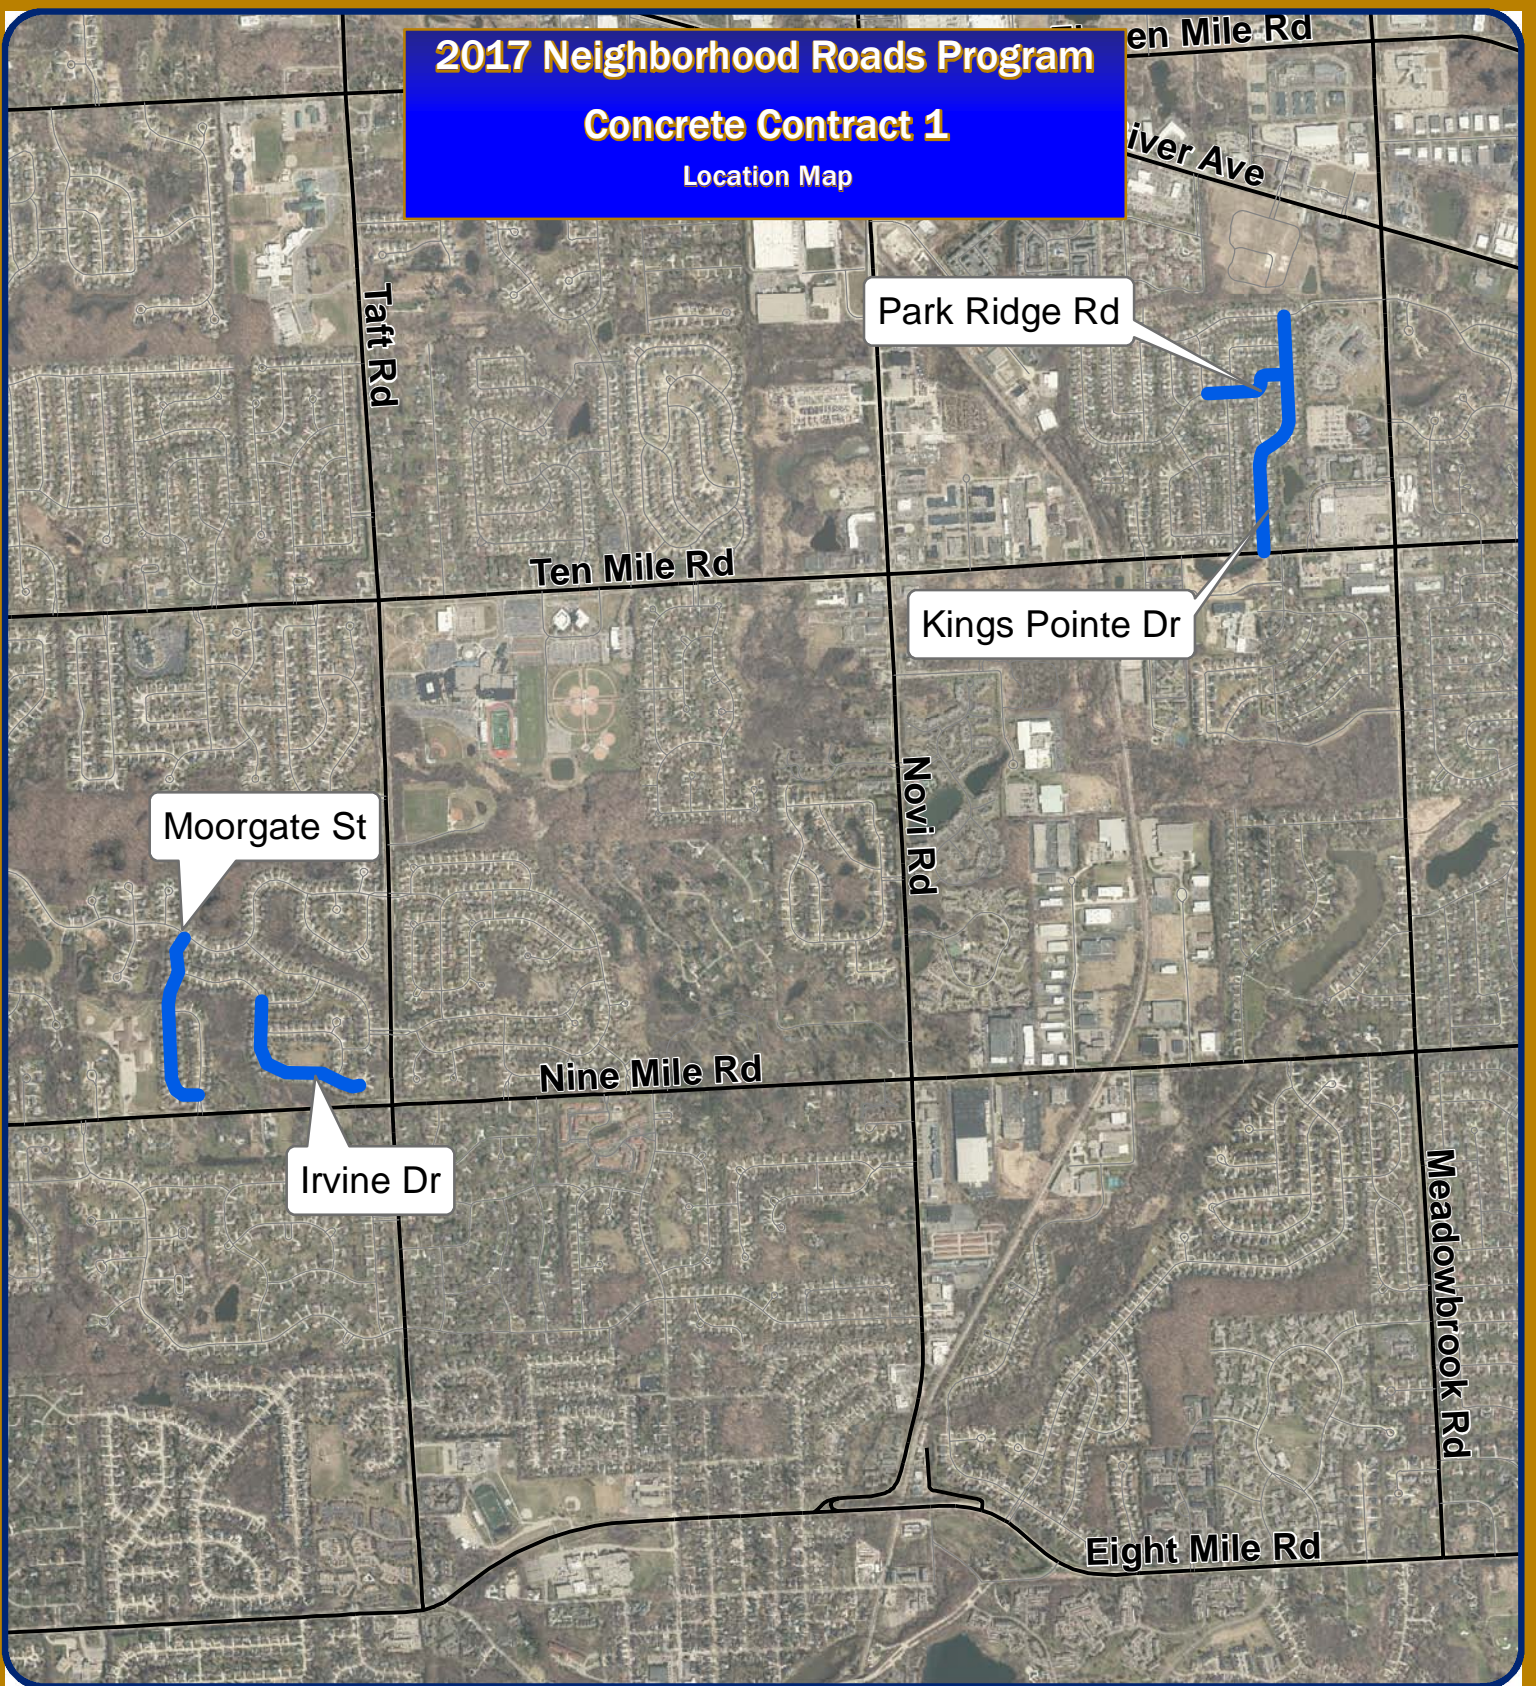

The attached *Design Engineering Services* proposal, as executed by Spalding DeDecker in the amount of \$89,195.02 outlines the scope of services in more detail. The design fee rate per the Exhibit B Fee Curve Schedule (as part of the City's general Engineering Services Contract with Spalding DeDecker) is typically 4.5% but was lessened to 3.72% due to not having to perform topographical surveys for this work. The Engineering Division has reviewed the scope of services proposal and recommends approval.

RECOMMENDED ACTION: Approval to award an amendment to the engineering services agreement with Spalding DeDecker for design engineering services associated with the 2017 Neighborhood Road Program (NRP) in the amount of \$89,195.02.

SUPPLEMENTAL PROFESSIONAL ENGINEERING SERVICES AGREEMENT

2017 NEIGHBORHOOD ROAD PROGRAM (CONTRACTS 1 THRU 3)

This Agreement shall be considered as made and entered into as of the date of the last signature hereon, and is between the City of Novi, 45175 W. Ten Mile Road, Novi, MI 48375-3024, hereafter, "City," and Spalding DeDecker, whose address is 905 South Boulevard East, Rochester Hills, MI 48307, hereafter, "Consultant."

RECITALS:

This Agreement shall be supplemental to, and hereby incorporates the terms and conditions of the AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES FOR PUBLIC PROJECTS, and attached exhibits, entered into between the City and the Consultant on December 17, 2012.

The project includes the design and the preparation of plans and specifications for the 2017 Neighborhood Road Program.

NOW, THEREFORE, in consideration of the foregoing, the City and Consultant agree as follows:

Section 1. Professional Engineering Services.

For and in consideration of payment by the City as provided under the "Payment for Engineering Services" section of this Agreement, Consultant shall perform the work described in the manner provided or required by the following Scope of Services, which is attached to and made a part of this Agreement as Exhibit A, all of said services to be done in a competent, efficient, timely, good and workmanlike manner and in compliance with all terms and conditions of this Agreement.

Exhibit A Scope of Services

Section 2. Payment for Professional Engineering Services.

1. Basic Fee.

Design Phase Services: The Consultant shall complete the design phase services as described herein for a lump sum fee of \$89,195.02, as described in the attached proposal.

2. Payment Schedule for Professional Engineering Services Fee.

Consultant shall submit monthly statements for professional engineering services rendered. The statements shall be based on Consultant's estimate of the proportion of the total services actually completed for each task as set forth in Exhibit A at the time of billing. The City shall confirm the correctness of such estimates, and may use the City's own engineer for such purposes. The monthly statements should be accompanied by such properly completed reporting

forms and such other evidence of progress as may be required by the City. Upon such confirmation, the City shall pay the amount owed within 30 days.

Final billing under this agreement shall be submitted in a timely manner but not later than three (3) months after completion of the services. Billings for work submitted later than three (3) months after completion of services will not be paid. Final payment will be made upon completion of audit by the City.

3. Payment Schedule for Expenses.

All expenses required to complete the scope of services described herein, including but not limited to costs related to mileage, vehicles, reproduction, computer use, etc., shall be included in the basic fee and shall not be paid separately. However, as compensation for expenses that are not included in the standard scope of services, when incurred in direct connection with the project, and approved by the City, the City shall pay the Consultant its actual cost times a factor of 1.15.

Section 4. Ownership of Plans and Documents; Records.

1. Upon completion or termination of this agreement, all documents prepared by the Consultant, including tracings, drawings, estimates, specifications, field notes, investigations, studies, etc., as instruments of service shall become the property of the City.

2. The City shall make copies, for the use of the Consultant, of all of its maps, records, laboratory tests, or other data pertinent to the work to be performed by the Consultant under this Agreement, and also make available any other maps, records, or other materials available to the City from any other public agency or body.

3. The Consultant shall furnish to the City, copies of all maps, records, field notes, and soil tests that were developed in the course of work for the City and for which compensation has been received by the Consultant.

Section 5. Termination.

1. This Agreement may be terminated by either party upon 7- days' prior written notice to the other party in the event of substantial failure by the other party to fulfill its obligations under this agreement through no fault of the terminating party.

2. This Agreement may be terminated by the City for its convenience upon 90 days' prior written notice to the Consultant.

3. In the event of termination, as provided in this Article, the Consultant shall be paid as compensation in full for services performed to the date of that termination, an amount calculated in accordance with Section 2 of this Agreement. Such amount shall be paid by the City upon the Consultant's delivering or otherwise making available to the City, all data, drawings, specifications, reports, estimates, summaries, and that other information and materials as may have been accumulated by the Consultant in performing the services included in this Agreement, whether completed or in progress.

Section 6. Disclosure.

The Consultant affirms that it has not made or agreed to make any valuable gift whether in the form of service, loan, thing, or promise to any person or any of the person's immediate family, having the duty to recommend, the right to vote upon, or any other direct influence on the selection of consultants to provide professional engineering services to the City within the two years preceding the execution of this Agreement. A campaign contribution, as defined by Michigan law shall not be considered as a valuable gift for the purposes of this Agreement.

Section 7. Insurance Requirements.

1. The Consultant shall maintain at its expense during the term of this Agreement, the following insurance:

- A. Worker's Compensation insurance relative to all Personnel engaged in performing services pursuant to this Agreement, with coverage not less than that required by applicable law.
- B. Comprehensive General Liability insurance with maximum bodily injury limits of \$1,000,000 (One Million Dollars) each occurrence and/or aggregate and minimum Property Damage limits of \$1,000,000 (One Million Dollars) each occurrence and/or aggregate.
- C. Automotive Liability insurance covering all owned, hired, and non-owned vehicles with Personal Protection insurance to comply with the provisions of the Michigan No Fault Insurance Law including Residual Liability insurance with minimum bodily injury limits of \$1,000,000 (One Million Dollars) each occurrence and/or aggregate minimum property damage limits of \$1,000,000 (One Million Dollars) each occurrence and/or aggregate.
- D. The Consultant shall provide proof of Professional Liability coverage in the amount of not less than \$1,000,000 (One Million Dollars) per occurrence and/or aggregate, and Environmental Impairment coverage.

2. The Consultant shall be responsible for payment of all deductibles contained in any insurance required hereunder.

3. If during the term of this Agreement changed conditions or other pertinent factors should in the reasonable judgment of the City render inadequate insurance limits, the Consultant will furnish on demand such additional coverage as may reasonably be required under the circumstances. All such insurance shall be effected at the Consultant's expense, under valid and enforceable policies, issued by the insurers of recognized responsibility which are well-rated by national rating organizations and are acceptable to the City.

4. All policies shall name the Consultant as the insured and shall be accompanied by a commitment from the insurer that such policies shall not be canceled or reduced without at least thirty (30) days prior notice to the City.

With the exception of professional liability, all insurance policies shall name the City of Novi, its officers, agents, and employees as additional insured. Certificates of Insurance evidencing such coverage shall be submitted to Sue Morianti, Purchasing Manager, City of Novi, 45175 West Ten Mile Road, Novi, MI 48375-3024 prior to commencement of performance under this Agreement and at least fifteen (15) days prior to the expiration dates of expiring policies.

5. If any work is sublet in connection with this Agreement, the Consultant shall require each subconsultant to effect and maintain at least the same types and limits of insurance as fixed for the Consultant.

6. The provisions requiring the Consultant to carry said insurance shall not be construed in any manner as waiving or restricting the liability of the Consultant under this Agreement.

Section 8. Indemnity and Hold Harmless.

A. The Consultant agrees to indemnify and hold harmless the City, its elected and appointed officials and employees, from and against any and all claims, demands, suits, losses and settlements, including actual attorney fees incurred and all costs connected therewith, for any damages which may be asserted, claimed or recovered against the City by reason of personal injury, death and/or property damages which arises out of or is in any way connected or associated with the actions or inactions of the Consultant in performing or failing to perform the work.

The Consultant agrees that it is its responsibility and not the responsibility of the City to safeguard the property and materials used in performing this Agreement. Further, this Consultant agrees to hold the City harmless for any loss of such property and materials used pursuant to the Consultant's performance under this Agreement.

Section 9. Nondiscrimination.

The Consultant shall not discriminate against any employee, or applicant for employment because of race, color, sex, age or handicap, religion, ancestry, marital status, national origin, place of birth, or sexual preference. The Consultant further covenants that it will comply with the Civil Rights Act of 1973, as amended; and the Michigan Civil Rights Act of 1976 (78. Stat. 252 and 1976 PA 4563) and will require a similar covenant on the part of any consultant or subconsultant employed in the performance of this Agreement.

Section 10. Applicable Law.

This Agreement is to be governed by the laws of the State of Michigan and the City of Novi Charter and Ordinances.

Section 11. Approval; No Release.

Approval of the City shall not constitute nor be deemed release of the responsibility and liability of Consultant, its employees, associates, agents and subconsultants for the accuracy and competency of their designs, working drawings, and specifications, or other documents and

services; nor shall that approval be deemed to be an assumption of that responsibility by the City for any defect in the designs, working drawings and specifications or other documents prepared by Consultant, its employees, subconsultants, and agents.

After acceptance of final plans and special provisions by the City, Consultant agrees, prior to and during the construction of this project, to perform those engineering services as may be required by City to correct errors or omissions on the original plans prepared by Consultant and to change the original design as required.

Section 12. Compliance With Laws.

This Contract and all of Consultants professional services and practices shall be subject to all applicable state, federal and local laws, rules or regulations, including without limitation, those which apply because the City is a public governmental agency or body. Consultant represents that it is in compliance with all such laws and eligible and qualified to enter into this Agreement.

Section 13. Notices.

Written notices under this Agreement shall be given to the parties at their addresses on page one by personal or registered mail delivery to the attention of the following persons:

City: Victor Cardenas, Assistant City Manager/Interim Director of Public Services and Cortney Hanson, Clerk, with a copy to Thomas R. Schultz, City Attorney

Consultant: Cheryl Gregory, P.E., Vice President of Spalding DeDecker

Section 14. Waivers.

No waiver of any term or condition of this Agreement shall be binding and effective unless in writing and signed by all parties, with any such waiver being limited to that circumstance only and not applicable to subsequent actions or events.

Section 15. Inspections, Notices, and Remedies Regarding Work.

During the performance of the professional services by Consultant, City shall have the right to inspect the services and its progress to assure that it complies with this Agreement. If such inspections reveal a defect in the work performed or other default in this Agreement, City shall provide Consultant with written notice to correct the defect or default within a specified number of days of the notice. Upon receiving such a notice, Consultant shall correct the specified defects or defaults within the time specified. Upon a failure to do so, the City may terminate this Agreement by written notice and finish the work through whatever method it deems appropriate, with the cost in doing so being a valid claim and charge against Consultant; or, the City may preserve the claims of defects or defaults without termination by written notice to Consultant.

All questions which may arise as to the quality and acceptability of work, the manner of performance and rate of progress of the work, and the interpretation of plans and specifications

shall be decided by the City. All questions as to the satisfactory and acceptable fulfillment of the terms of this agreement shall be decided by the City.

Section 16. Delays.

No charges or claims for damages shall be made by the Consultant for delays or hindrances from any cause whatsoever during the progress of any portions of the services specified in this agreement, except as hereinafter provided.

In case of a substantial delay on the part of the City in providing to the Consultant either the necessary information or approval to proceed with the work, resulting, through no fault of the Consultant, in delays of such extent as to require the Consultant to perform its work under changed conditions not contemplated by the parties, the City will consider supplemental compensation limited to increased costs incurred as a direct result of such delays. Any claim for supplemental compensation must be in writing and accompanied by substantiating data.

When delays are caused by circumstances or conditions beyond the control of the Consultant as determined by the City, the Consultant shall be granted an extension of time for such reasonable period as may be mutually agreed upon between the parties, it being understood, however, that the permitting of the Consultant to proceed to complete the services, or any part of them, after the date to which the time of completion may have been extended, shall in no way operate as a waiver on the part of the City of any of its rights herein set forth.

Section 17. Assignment.

No portion of the project work, heretofore defined, shall be sublet, assigned, or otherwise disposed of except as herein provided or with the prior written consent of the City. Consent to sublet, assign, or otherwise dispose of any portion of the services shall not be construed to relieve the Consultant of any responsibility for the fulfillment of this agreement.

Section 18. Dispute Resolution.

The parties agree to try to resolve any disputes as to professional engineering services or otherwise in good faith. In the event that the parties cannot resolve any reasonable dispute, the parties agree to seek alternative dispute resolution methods agreeable to both parties and which are legally permissive at the time of the dispute. The parties agree to use their best efforts to resolve any good faith dispute within 90 (ninety) days notice to the other party. In the event the parties cannot resolve that dispute as set forth above, they may seek such remedies as may be permitted by law.

EXHIBIT A - SCOPE OF SERVICES

Consultant shall provide the City professional engineering services in all phases of the Project to which this Agreement applies as hereinafter provided. These services will include serving as the City's professional engineering representative for the Project, providing professional engineering consultation and advice and furnishing customary civil, structural, mechanical and electrical engineering services and customary engineering services incidental thereto, as described below.

A. **Basic Services.**

1. See attached.

B. **Performance.**

1. The Consultant agrees that, immediately upon the execution of this Agreement, it will enter upon the duties prescribed in this agreement, proceed with the work continuously, and make the various submittals on or before the dates specified in the attached schedule. The City is not liable and will not pay the Consultant for any services rendered before written authorization is received by the Consultant.
2. The Consultant shall submit, and the City shall review and approve a timeline for submission of plans and/or the completion of any other work required pursuant to this Scope of Services. The Consultant shall use its best efforts to comply with the schedule approved by the City.
3. If any delay is caused to the Consultant by order of the City to change the design or plans; or by failure of the city to designate right-of-way, or to supply or cause to be supplied any data not otherwise available to the Consultant that is required in performing the work described; or by other delays due to causes entirely beyond the control of the Consultant; then, in that event, the time schedules will be adjusted equitably in writing, as mutually agreed between the City and the Consultant at the moment a cause for delay occurs.
4. Since the work of the Consultant must be coordinated with the activities of the City (including firms employed by and governmental agencies and subdivisions working with the City), the Consultant shall advise the City in advance, of all meetings and conferences between the Consultant and any party, governmental agency, political subdivision, or third party which is necessary to the performance of the work of the Consultant.

March 13, 2017

Mr. George D. Melistas
Engineering Senior Manager & Traffic Engineer
Department of Public Services
City of Novi
26300 Lee BeGole Drive
Novi, Michigan 48375

Re: **2017 Neighborhood Road Program**
Design Engineering Services
SD Job No.: NV17-005.0C

Dear Mr. Melistas:

Spalding DeDecker Associates, Inc. (SDA) is pleased to have been selected to provide design services for the 2014 City of Novi Neighborhood Road Program (NRP). The following information presents the understood scope and summary of services SDA will provide for this project.

Project Overview and Understanding of Requested Services

The project will generally include the rehabilitation of hot-mix asphalt (HMA) and concrete neighborhood / subdivision streets. Rehabilitation includes milling and overlaying HMA pavements, minor base repairs, full-depth concrete patching with extended segments of replacement, as opposed to reconstruction of the entire pavement section full width and length of a roadway segment.

The program will be packaged and bid as three separate construction contracts:

Contract #1: Concrete \$ 804,312.00

(including Moorgate, Kings Pointe, Irvine, Park Ridge)

Contract #2: Concrete \$ 1,123,009.00

(including Wintergreen Circle, Chase, Glen Haven Circle, Roscommon)

Contract #3: Asphalt \$ 467,650.00

(including Buckingham Ct., Ennishore, Hampton Hill, Buckminster, Chattman, Greening, Petros, Lochmoor)

Proposed Scope of Services

Following award, SD will recommend the location of pavement cores and soil borings to be performed by the geotechnical firm under the City's direction. Geotechnical data will be requested only in areas of full-depth pavement replacement and the geotechnical firm will be asked to provide input on the proposed rehabilitation methods. The geotechnical firm will contract directly with the City and the cost is not included in our design fee.

Full topographic survey and mapping will not be performed, as the proposed pavement rehabilitation does not warrant such detailed survey data. Limited topographic survey for use during design will be performed at designated ADA sidewalk ramp upgrades and specific street approaches. Storm water catch basins will be individually inspected and any repairs needed will be quantified on the plans. It is expected that existing pavement grades will be maintained and no proposed grades will be calculated, except as noted for ADA sidewalk ramps and street approaches at Lochmoor Lane, Chase Drive, and Buckingham Court.

Plan sheets, 24" x 36", will be prepared from a combination of available aerial imagery, limited survey, City-provided GIS linework, SD obtained private utility information, and measurements and observations from field reviews. In addition to showing the roadway and proposed repair locations, the plans will show utility structures, approximate utility locations, and house addresses by parcel.

As necessary, permits will be applied for from either the Wayne County Department of Public Services (WCDPS) or Road Commission for Oakland County (RCOC) to place construction signing within the right-of-way for roads under the jurisdiction of either agency.

Preliminary Plans will be submitted at approximately 50-60% completion, showing existing and proposed typical cross sections; plan view of areas to be repaired including pavement, curb and gutter and ADA ramps; and supporting details and notes (ADA, repair types, tree protection, maintaining traffic, etc). Preliminary quantities for all work items shall be listed by street. Comments received will be used in preparing the final review plans.

Final Review Plans will be submitted at 95% completion and will include complete specifications/contract documents as well as final estimates. Any comments will be incorporated into the final plans and specifications, which will be prepared for advertising.

During the Bidding Phase the City will place an advertisement, and plans will be made available by SD for potential bidders. SD will respond to contractor inquiries and issue any required addendum. SD will review submitted bids, prepare bid tabulations, review references, and recommend award for the concrete and HMA contracts.

Construction Cost Estimate and Proposed Fees

Based on our pre-qualification status with the City, engineering design fees are typically based on a pre-determined percentage of the pre-design construction cost estimate. The fee percentage used depends on the type of services to be provided based on the proposed work. However, as agreed upon, full topographic survey and detailed design plans are not warranted for the proposed scope of pavement rehabilitation. Therefore a reduced percentage is proposed:

	Construction Budget	Design Fee Rate (per Fee Table)	Proposed Design Fee Rate	Proposed Design Fee
2017 Neighborhood Road Program	\$ 2,394,971.00	4.50%	3.72%	\$ 89,195.02

Project Schedule

The following summarizes the anticipated schedule for the projects (HMA and concrete roads):

Milestone	Completed By
ASPHALT – CONTRACT 3	
Notice to Proceed	3/15/2017
Preliminary Plans	3/24/2017
Geotech. and Survey Field Work	3/31/2017
Final Plans	3/29/2017
Advertising	4/03/2017
Bid Opening	4/12/2017
Award by Council	4/24/2017
Construction Start	5/04/2017
Construction Completion	9/01/2017

Milestone	Completed By
CONCRETE – CONTRACTS 1-2	
Notice to Proceed	3/15/2017
Geotech. and Survey Field Work	3/31/2017
Preliminary Plans	4/03/2017
Final Plans	4/10/2017
Advertising	4/12/2017
Bid Opening	4/26/2017
Award by Council	5/08/2017
Construction Start	5/18/2017
Construction Completion	11/15/2017

To achieve this aggressive delivery schedule, the following activities will be required:

- 2-day turn-around for City’s review of prelim plans
- Walk road segments w/ Novi personnel during preliminary plan development
- Final plans will not include detailed grades for ADA ramps but will be provided at pre-construction meeting
- Construction start date is dependent on Contractor’s ability to provide necessary bond/insurance docs within 10 business days after Award

Thank you again for your selection of SDA to provide design services for the 2017 Neighborhood Road Program. Please don’t hesitate to contact me if you have any questions or comments regarding this proposal.

Kindest Regards,

SPALDING DEDECKER, INC.

Cheryl Gregory, P.E.
Sr. Project Manager
