Dear Novi residents,

I cannot help but look around this great City and marvel at what it has become. Our 50th Anniversary celebration is behind us – and what a celebration it was – but now it’s time to look ahead to 2020 and beyond.

When I think about the year 2020, I think about that crystal clear, 20-20 vision we all strive to have. I like to think Novi has 20-20 vision, seeing clearly the importance of our rich diversity, the value of having the premiere public safety agency in all of Michigan, and the value of smart investment throughout the community, from roads to greenspace to facilities.

The theme of this year’s calendar is “Novi Through Your Eyes,” and every photograph was taken by a member of the Novi Photography Club. I hope as you flip through this calendar you are inspired by their work to think about how you see Novi and what you can do to make that connection with the place you call home even stronger.

I have been fortunate to call Novi home since 1975, when I started as a rookie cop with the Novi Police Department. I spent 27 years serving this wonderful community, and when I retired I knew I couldn’t leave. Fast forward to 2020, and here I am embarking on my fifth term as Mayor and 16th year on City Council.

Novi through MY eyes is truly humbling and exhilarating. I have seen this community transform over the years from a rural community to a large metropolis that is a destination for businesses and residents from all over the world. We have the largest Japanese population in Michigan with more than 4,000 residents, and are home to more than 200 foreign-owned firms from 24 different countries.

My eyes also see a police and fire department that are second to none. We remain one of the safest cities in the entire country because of these brave men and women and their dedication to being partners with our community. Our fire department model continues to be complimented by everyone who studies our blend of full-time, auxiliary and paid-on-call firefighters. In fact, in 2018, the Insurance Services Office lowered Novi’s ISO rating from “5” to “2.” Ratings are based on a “1-10” scale with “1” being the best score. This improved ISO rating may allow for residents and businesses to see future savings on insurance premiums. It also shows the dedication to industry standards and professionalism the Novi Fire Department embodies.

I also look out and see a City planning for the future. Millions of dollars have been and continue to be spent to improve our neighborhood roads, and we are working with our partners at the county, state and federal level to address our major thoroughfares. Just last year we completed an upgrade to our DPW facility that will protect our equipment and provide a safer work environment for our employees, and this year we will unveil a new and improved Lakeshore Park the entire community can enjoy.

None of this can be done alone and I am fortunate to have colleagues on City Council who share a similar vision for our Novi. It was an election year in 2019, where I was elected to serve as your Mayor once again. Joining me were council members Dave Staucht and Laura Marie Casey, who were re-elected to their seats, along with Hugh Crawford and Justin Fischer. Both Hugh and Justin have previous council experience and I am excited to work with them again. I would also be remiss if I did not thank Doreen Poupard and Ramesh Verma for their dedicated service as appointed council members in 2019.

As we embark on 2020, we do so with our eyes wide open and eager to see what’s in store for Novi. My eyes see a future Novi that continues to grow and flourish, one that sets the standard for excellence and always finds a way to raise the bar even higher.

I look forward to working with all of you as we shape OUR VISION of OUR NOVI. On behalf of my colleagues on City Council, I wish everyone great health, happiness and prosperity in the coming year!

Sincerely,

Bob Gatt, YOUR Mayor
Photography is a creative way of expressing the photographer’s view of the world in which we live (in our case, Novi) and stimulating the viewer’s emotions. It captures that ‘split-second’ in time, many of which go unnoticed by the human eye.

All photos in this year’s “Novi Through Your Eyes” annual calendar were submitted by members of the Novi Photography Club. Created in 2018, the Novi Photography Club boasts 65 members who attend workshops, competitions and monthly photo shoots. All members were provided the opportunity to submit photos of Novi to be considered for inclusion in the 2020 calendar. The 12 monthly photos were chosen by a team of City staff and residents for what we hope to be the first of many future calendar partnerships with the Novi Photography Club. To view more of their creative camerawork, visit the Novi Civic Center during the month of January when the Novi Photography Club will display photos in a public gallery for the community. The exhibit is available for viewing during regular business hours, Monday through Friday 8am to 5pm, with some exceptions. The exhibit will also be open many evenings and weekends.

Thank you, all Novi Photography Club members for your partnership and submissions. Seeing Novi through your eyes has left us in awe of your talent. The Novi Photography Club meets the first Wednesday of every month at 7pm at the Novi Public Library. For more information, contact Prasad Kadam at prasadkadam@gmail.com.

Thank you for sharing your vision.

Everyone counts.
The census counts every person living in the U.S. once, only once, and in the right place.

It’s about $675 billion.
The distribution of more than $675 billion in federal funds, grants and support to states, counties and communities are based on census data.

Majority rules.
The census counts everyone where they live and sleep MOST of the time. Yes, that means you “snowbirds.” If you call Novi home 51% of the time, then Novi is what you should list as your place of residence. Even if you are completing the census while away for the winter, if you reside in Novi at least 184 days this year (it’s a leap year), remember to list Novi as your place of residence. Even if you call Novi home 51% of the time, then Novi is what you should list as your place of residence. Even if you are completing the census while away for the winter, if you reside in Novi at least 184 days this year (it’s a leap year), remember to list Novi as your place of residence. Even if you are completing the census while away for the winter, if you reside in Novi at least 184 days this year (it’s a leap year), remember to list Novi as your place of residence.

It’s about redistricting.
After each decade’s census, state officials redraw the boundaries of the congressional and state legislative districts in their states to account for population shifts.

Census data are being used all around you.
Local governments use the census for public safety and emergency preparedness. Residents use the census to support community initiatives involving legislation, quality-of-life and consumer advocacy.

2020 will be easier than ever.
In 2020, you will be able to respond to the census online.

Your privacy is protected.
It’s against the law for the Census Bureau to publicly release your responses in any way that could identify you or your household. By law, your responses cannot be used against you and can only be used to produce statistics.

To make sure you are counted and learn more about the 2020 Census, visit 2020census.gov.

**New Year’s Eve**
Nurture public services that residents want and value.

Operate a world-class and sustainable local government.

Value and build a desirable and vibrant community for residents and businesses alike now and into the future.

Invest properly in being a Safe Community at all times for all people.

$14.15 million invested in roads and pathways

ITC Corridor Trail opened in 2019

Navigate through Novi on the newly opened 4.6 miles of trail that traverses the entire city from north to south. It connects the Ascension Providence Hospital campus to ITC Community Sports Park and is a collaboration between the City of Novi and ITC Holdings Corp.

The Governmental Finance Officers Association (GFOA) presented the Distinguished Budget Presentation Award to the City of Novi for its annual budget for the fiscal year beginning July 1, 2018. Novi has received this award for 23 consecutive years.

Potholes reported to the City are repaired in an average of 5.2 days.

Recycling comparison

NOVI - 41%
MI - 15%
USA - 34%

Have you downloaded the go-to Novi app?

The City is now accessible in the palm of your hands. Download the City of Novi App today to stay up to date with everything happening in Novi.

On May 6, 2019, City Council approved a budget of $2.7 million for neighborhood road work for Fiscal Year 2019-2020.

$11.4 million upgrade to DPW facilities

In 2018, the Insurance Services Office, ISO, rating for the City of Novi went from “5” to a “2” rating. This designation places the Novi Fire Department in the top 2% of the country and helps with insurance premiums.
