

QUARANTINE KITS

Available for low income residents of Oakland and Livingston Counties who meet one of the following criteria:

- Need to quarantine due to a positive COVID test or significant exposure
- Are isolating while awaiting test results
- Should stay safe at home to prevent potential exposure due to risk factors such as older age, compromised immune systems, and other health related vulnerabilities
- Have limited resources or food insecurity due to COVID

Households must fall within 200% of federal poverty limit

Households may receive a shipment of food and supplies within 24 hours of enrollment.
