- Artwork shall be available for public viewing during regular Civic Center hours, however, the City may temporarily remove the artwork or move the boards they hang on as required for City events, or other reasons related to the City's use of the Civic Center, or other public facilities. Artwork may not always be displayed in the location as it has been installed.
- 2-D artwork must be no larger than 4' x 5' unless approved.
- 2-D artwork must be delivered ready to be installed with wire in place to hang 3 inches or more below the top of the artwork. This is an example of our display system:

- 2D artwork must have finished edges or be framed. If the edges of the work are deemed unpresentable by the selection committee, then the artwork will not be permitted to hang for the exhibition.
- A display case is available for 3D items. Please indicate that you are requesting access to the case in your application.
- Artist is responsible for delivery, pick up, & hanging of artwork.
- Artist must sign and return an Art Exhibition Agreement within one week after notification of acceptance.
- A 30% administration fee shall be assessed by the City of Novi in connection with the sale of artwork during the exhibition period.

A final list of artwork to be displayed must be submitted 2 weeks prior to exhibition start date.

Group shows require a designated group member to manage drop-off, removal, and installation of artwork. They must stay during the entire assigned time frame and are completely responsible for all intake and return of artwork to the appropriate artists and installation of artwork. On removal day, any artwork remaining at the end of the assigned timeframe will be the designee's responsibility and they are to remove all artwork from the premise and return to the appropriate artist.
