

CITY OF NOVI

COUNTY OF OAKLAND, MICHIGAN

**RESOLUTION REGARDING ADDITIONAL TEMPORARY SIGNAGE IN LIGHT OF COVID-19
PANDEMIC**

Minutes of a Meeting of the City Council of the City of Novi, County of Oakland, Michigan, held in the City Hall of said City on June 15, 2020 at 7 o'clock P.M. Prevailing Eastern Time.

PRESENT: Councilmembers Gatt, Staudt, Breen, Casey, Crawford, Fischer, Mutch

ABSENT: None

The following preamble and Resolution were offered by Councilmember Fischer and supported by Councilmember Gatt

WHEREAS; on June 1, 2020 the City Council adopted a "Resolution Regarding Outdoor Gathering Authorization and Requirements For Reopening Certain Retail And Restaurant/Bar Businesses In Light of Covid-19 Pandemic," which effectively relaxed certain regulations for the operation of retail and restaurant/bar businesses in the City in light of the ongoing Covid-19 restrictions on occupancy and social distancing limitations; and

WHEREAS; the City Council had previously, on March 23, 2020 adopted a resolution allowing businesses one additional temporary sign under the temporary promotional signage provision of the City's sign ordinance, Section 28-6(g), which resolution was amended on June 1, 2020 to allow a second additional temporary sign; and

WHEREAS; the reasonable display of signs is necessary to the proper conduct of competitive commerce and industry, subject in turn to reasonable regulations to protect the safety and welfare of the public and the need to maintain an attractive appearance in the community; and

WHEREAS; at the same time, businesses in the City, particularly small businesses, are struggling to maintain visibility in the current emergency, and businesses that are re-opening now, after an extended period of closure or reduced operations might be surrounded by closed businesses or might be hard to locate and therefore could

require additional visibility. One way to address the issue is to allow for additional temporary signage at a business; and

WHEREAS; in addition to Section 28-6(g) of the sign ordinance, Council acknowledges that as of the date hereof it has in place a Local Declaration of a State of Emergency, effective March 23, 2020, that could be utilized, under the Emergency Management Act, MCL 30.401 *et seq*, to waive certain ordinance requirements; and

WHEREAS; the City Council also acknowledges that the City Code includes a general appeal and variance authority on behalf of the City Council with respect to matters that are not appealable to any other board or commission, as set forth in Section 1.12 of the City Code, where it can be shown that "a literal application of the substantive requirement would result in exceptional, practical difficulty," and "where the variance will not be detrimental to the public health, safety or welfare, nor injurious to adjoining or neighboring property, nor contrary to the overall purpose and goals of the chapter or article containing the regulation in question"; and

WHEREAS; given the foregoing, and only as a result of the highly unusual conditions that affect the City and its businesses right now, it is reasonable to allow for increased temporary signage for commercial uses in the City for a limited period of time, after which such additional signage will no longer be appropriate or allowed.

NOW THEREFORE, IT IS THEREFORE RESOLVED:

1. City Council affirms its existing sign ordinance regulations as reasonable and appropriate in furtherance of the public health, safety, and welfare of the City, its residents, and businesses, which remain in full force and effect except as specifically affected by this Resolution.

2. City Council finds, however, that the 2020 COVID-19 pandemic represents an unusual and unprecedented event that has caused an interruption in the typical operation of businesses within the City, and particularly the operation of retail businesses and restaurants/bars in the City that rely upon visitors and in-person customers.

3. City Council finds that a temporary relaxation of certain regulations with respect to temporary signage is an appropriate response to these current unprecedented conditions within the City, state, and country, and further finds that such temporary relaxation, if properly administered, will not adversely affect the public health, safety, and welfare and will in fact benefit both the businesses and the members of the public affected given COVID-19's wide-ranging effects.

4. City Council therefore determines to allow certain additional temporary signage as follows:

- A. Up to an 80 square feet of total additional temporary sign area per business is hereby authorized, subject to the limitations herein. This additional signage area is in addition to the 64 square feet of

Temporary sign area that is already authorized by Section 28-6 of the Novi City Code for non-residential districts. While there is a limit on the total additional sign area allowed, there is no limitation on the number of signs allowed.

- B. Temporary sign allowed hereunder may be ground pole or portable signs, or any other sign type not prohibited by Section 28-10 of the City Code; notwithstanding this limitation, feather flags shall be allowed, with maximum of 2 signs per street frontage per business.
- C. A single temporary sign shall not exceed 32 square feet (e.g., 48" X 96") in area.
- D. Signs shall not be placed on public property or in the public road right-of-way or any roadway easement.
- E. Signs shall not interfere with vehicle sight distance or obstruct the accessible path of travel along a pedestrian sidewalk or pathway, whether public or private.
- F. The additional signs authorized hereunder shall be permitted from Monday, June 1, 2020, through Thursday, December 31, 2020. The signs shall be removed immediately upon the expiration of this approval.
- G. There shall be no application required for such additional signage, and no fees related thereto
- H. The City Council reserves the right to revoke or amend this Resolution at any time, or to modify, shorten, or lengthen the term of this Resolution as the Council determines is appropriate under the circumstances.
- I. Violation of the requirements of this Resolution shall be considered and processed as a violation of the City Code.
