

# CITY of NOVI CITY COUNCIL

**Agenda Item J**  
**November 13, 2012**

**SUBJECT:** Approval of Traffic Control Orders 12-55 through 12-59 to formally revise the location of a prohibited parking zone on Olde Orchard Street.

**SUBMITTING DEPARTMENT:** Department of Public Services, Engineering Division <sup>RJD</sup> BIC

**CITY MANAGER APPROVAL:** 

**BACKGROUND INFORMATION:**

Olde Orchard Street is located in Section 24 and connects Grand River Avenue and Ten Mile Road, west of Haggerty Road. The road was constructed in approximately 1970 and since 1974 there has been a parking prohibition in effect for both sides of the street (Traffic Control Orders 73-43 and 73-43A). In 1997, another traffic control order (TCO) 97-07 was approved and overlapped a portion of existing TCO 73-43.

A medical-dental professional office building was constructed at the southeast corner of Grand River Avenue and Olde Orchard Street in approximately 1998. In 2001, the City asked the traffic consultant to review the northern portion of Olde Orchard to permit on-street parking along one side of the road. A revised traffic control plan was developed by the traffic consultant and new traffic control orders (01-01 and 01-02) were approved by City Council in 2001 to rescind TCO 73-43A and permitted parking within a 165-foot long area on the east side of Olde Orchard south of the medical-dental office building.

Sometime between 2002 and 2006 (based on historical aerial photos), the permitted parking zone was moved from the east side to the west side of Olde Orchard, however no traffic control order was drafted by the traffic engineer at that time for consideration by City Council. The Uniform Traffic Code requires that all traffic control orders, as issued by the traffic engineer and approved by the City Council, be on file for the enforcement of traffic control signs. The permitted parking zone on the west side was recently reviewed in the field by the City's current traffic engineer and was determined to be acceptable. The attached traffic control orders, as summarized below, have been prepared by the City traffic engineer for consideration by City Council to formally establish a 265-foot long permitted parking zone along the west side of Olde Orchard near Grand River Avenue, as shown on the attached map.

TCO	Description
12-55	Rescind Traffic Control Order 73-43
12-56	Parking is prohibited on the west side of Olde Orchard from Grand River Avenue to 325 feet south of the centerline of Grand River Avenue, and from a point 590 feet south of the centerline of Grand River Avenue to Ten Mile Road.
12-57	Rescind Traffic Control Order 97-07
12-58	Rescind Traffic Control Order 01-02
12-59	Parking is prohibited on the east side of Olde Orchard from 2/10 mile north of Ten Mile Road to Grand River Avenue

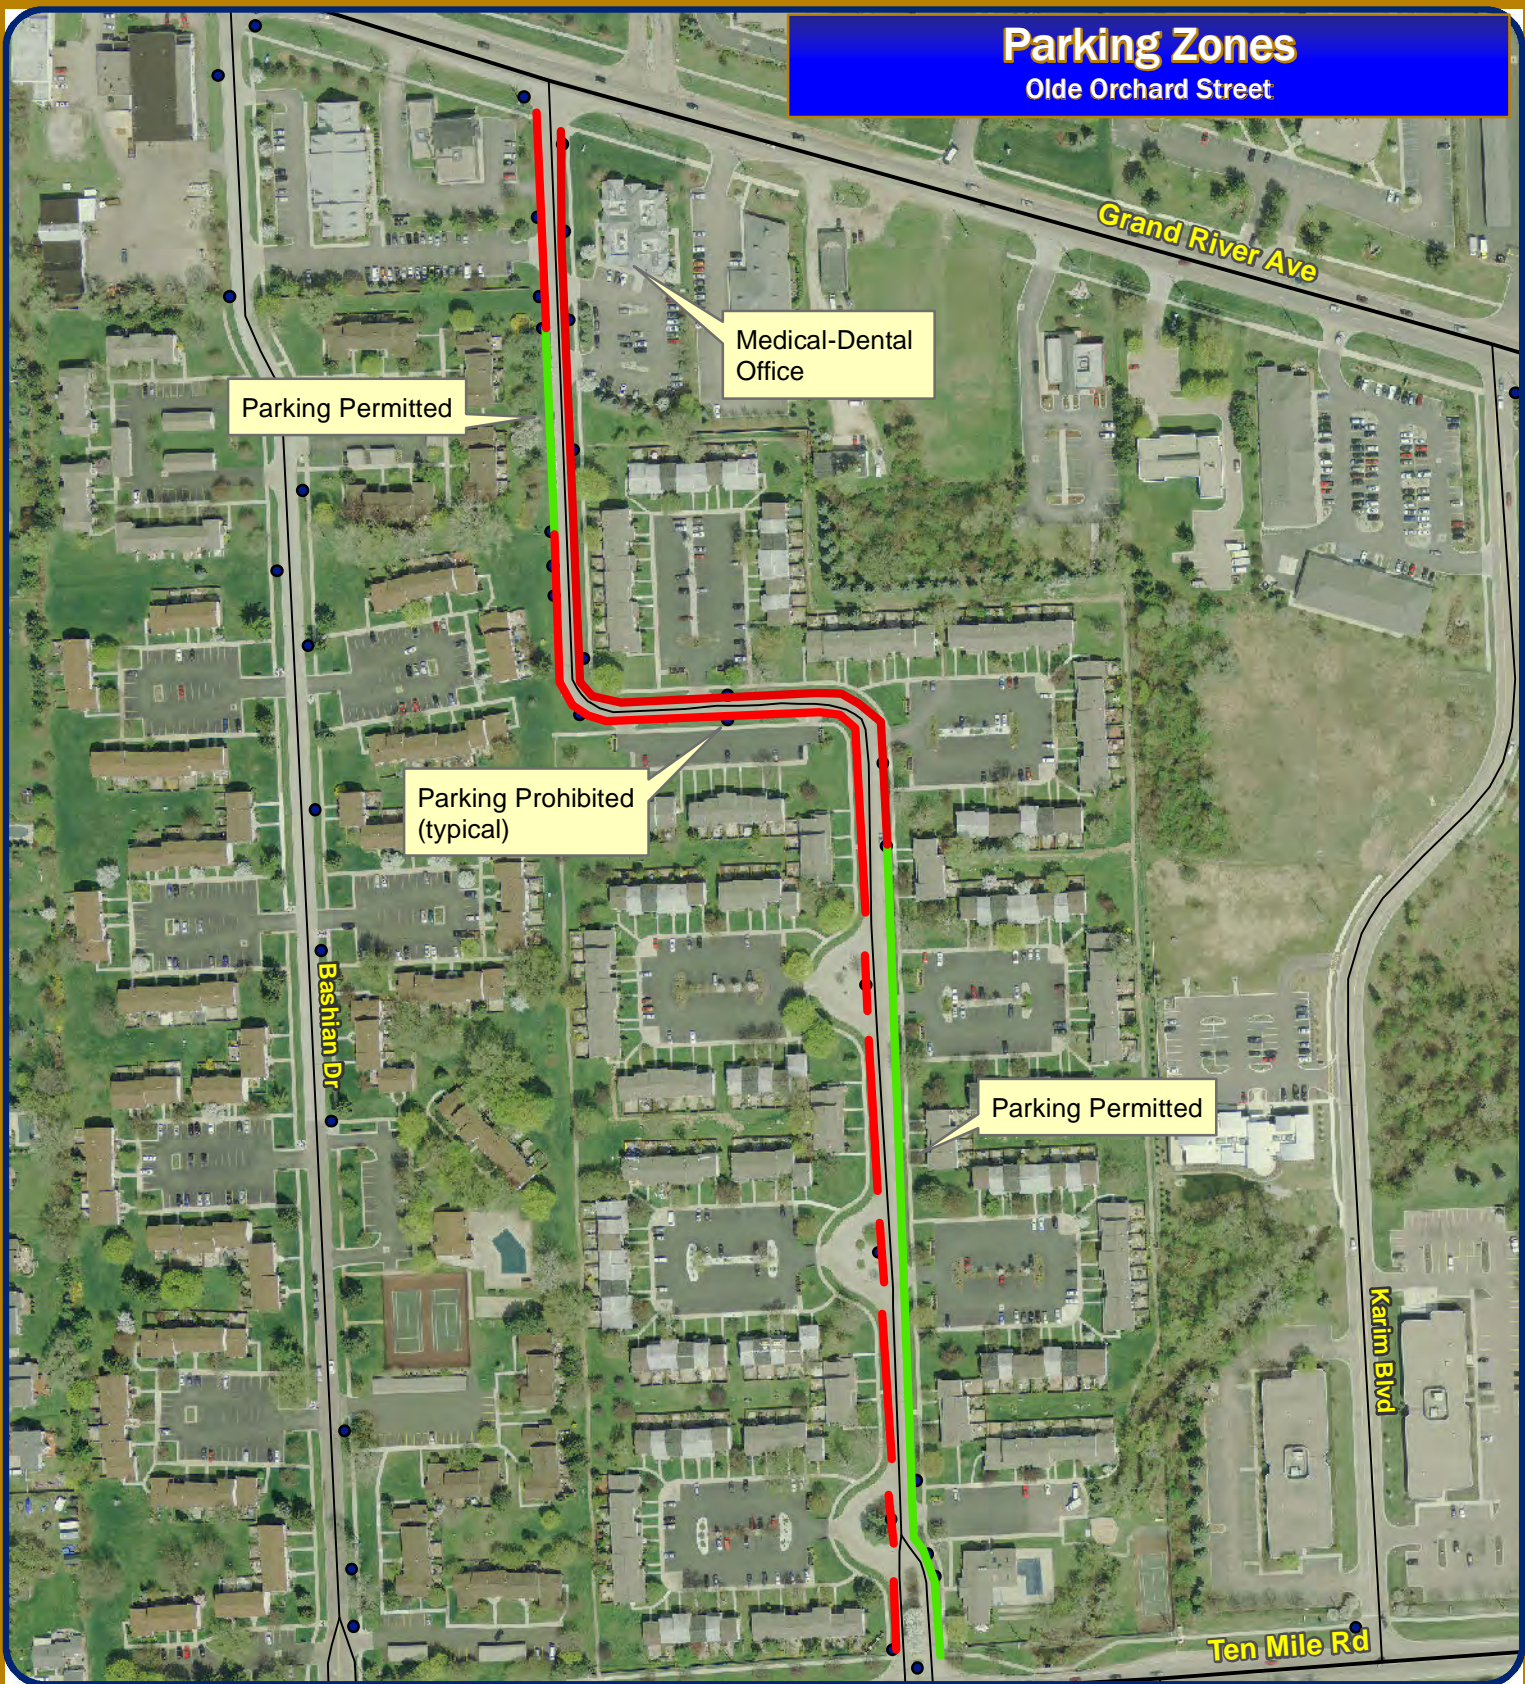

**RECOMMENDED ACTION:** Approval of Traffic Control Orders 12-55 through 12-59 to formally revise the location of a prohibited parking zone on Olde Orchard Street.
