

Priorities for Older Adult Services

Strategic Priorities

1. *Engaging the broad population*

Goal: To ensure boomers and Older Adults have activities and program opportunities specific to their needs and wants.

Strategies

2. *Creating a sense of community through Volunteer opportunities*

Goal: Incorporate with the city wide volunteer program and identify the opportunities utilizing the Older Adult skill sets.

Strategies

3. *Communication*

Goal: To increase program awareness using a variety of methods along with current technology.

Strategies

4. *Providing and promoting Social Services*

Goal: To determine ways to identify community members in need.

Strategies

5. *Transportation*

Goal: To provide a safe transportation option for Older Adults to stay active in the community and reach a variety of destinations.

Strategies

6. *Recreation-Healthy Active Lifestyles for all ages*

Goal: To offer and promote activities with Older Adult capabilities and interests.
