ZONING BOARD OF APPEALS
CITY OF NOVI
Community Development Department
(248) 347-0415

Case No. 12-035 41200 Bridge Street

Location: 41200 Bridge Street

Zoning District: I-1, Light Industrial District

The applicant is requesting an extension of the variance granted in ZBA 11-022 for one 24 square foot oversized real estate sign located at 41200 Bridge Street. The property is located east of Meadowbrook Road and south of Interstate 96, north of 11 Mile Road.

Ordinance Sections:

CITY OF NOVI, CODE OF ORDINANCE, Section 28-6 (4) states: "Sale, rental or lease sign which identifies the sale, rental, or lease of the non-residential property...be...not less than one-half the distance between the principal building and adjacent street and not higher than ten (10) feet nor more than 16 square feet in area.

City of Novi Staff Comments:

The applicant is requesting a variance to allow continued placement of an oversized real estate marketing sign previously approved under ZBA 06-010 for 1 year, ZBA 07-022 and ZBA 09-025 for 2 years, and ZBA 11-022 for 1 year. The existing 24 square foot sign exceeds the allowed sign area of 16 square feet. Staff does not support granting further variances as the failure to grant relief will not unreasonably prevent or limit the use of the property and will not result in substantially more than mere inconvenience or inability to attain a higher economic or financial return.

Standards for Granting a Sign Variance

- The request is based upon circumstances or features that are exceptional and unique to the property and do not result from conditions that exist generally in the City or that are self-created.
- The failure to grant relief will unreasonably prevent or limit the use of the property and will result in substantially more than mere inconvenience or inability to attain a higher economic or financial return.
- The grant of relief will not result in a use of structure that is incompatible with or unreasonably interferes with adjacent or surrounding properties, will result in substantial justice being done to both the applicant and adjacent or surrounding properties, and is not inconsistent with the spirit of the ordinance.

10. Describe any unique circumstances regarding the property (i.e., shape, topography, etc.) which are not common to other properties in the area and which prevent strict compliance with the Zoning Ordinance:

The large berm on Meadowbrook Road makes it impossible for the sign to be seen from Meadowbrook, at the required maximum distance from the building.
