REVIEW STANDARDS SIGN VARIANCE

The Zoning Board of Appeals (ZBA) will review the application package and determine if the proposed Sign Variance meets the required standards for approval. In the space below, and on additional paper if necessary, explain how the proposed project meets each of the following standards. (Increased costs associated with complying with the Zoning Ordinance will not be considered a basis for granting a Sign Variance.)

Standard #1. Extraordinary Circumstances or Conditions.

Explain how the circumstances or physical conditions applying to the property that do not apply generally to other properties in the same Zone District or in the general vicinity. Circumstances or physical conditions may include:

- a. **Shape of Lot.** A sign could not be placed in the location required by the Zoning Ordinance due to the shape, topography or other physical conditions of the lot or due to the location of an existing structure. **Describe below:**

OR

- b. **Environmental Conditions.** A sign could not be placed in the location required by the Zoning Ordinance without removing or severely altering natural features, such as trees, topography, drainage courses or encroaching upon storm water facilities. **Describe below:**

OR

- c. **Abutting Property.** A sign could not be reasonably seen by passing motorists due to the configuration of existing buildings, trees, signs or other obstructions on an abutting property. **Describe below:**

- d. Scale of Building or Lot Frontage.** A sign that exceeds permitted dimensions for area and/or height could be considered appropriate in scale due to the length of the building frontage (wall sign only) or length of the lot frontage (ground sign only). **Describe below:**
- e. Not Self-Created.** Describe the immediate practical difficulty causing the need for the Variance was not created by the applicant or any person having an interest in the sign, sign structure, or property. **Describe below:**

Standard #2. Limit Use of Property.

Explain how the failure to grant relief will unreasonably prevent or limit the use of the property and will result in substantially more than mere inconvenience or inability to attain a higher economic or financial return.

Standard #3. Adverse Impact on Surrounding Area.

Explain how the Sign Variance will not result in a use or structure that is incompatible with or unreasonably interferes with adjacent or surrounding properties, will result in substantial justice being done to both the applicant and adjacent or surrounding properties, and is not inconsistent with the spirit and intent of this chapter.
