SIGN PERMIT APPLICATION

Zoning District:

Permit Required per City of Novi Code of Ordinances, Chapter 28, Section 28-3

All Sign Permit applications must be accompanied by one fully dimensional drawing of the sign, including details of the sign schematics with measurements, proposed location of the sign, a rendering showing position of sign related to nearby suites/buildings/structures and property lines, site plan with distance measurement showing sign location, any easements, and right-of-way. All Illuminated signs require an Electrical Permit

All Ground Signs require a separate Sign Foundation Building Permit. Please submit a separate Building Permit application for a ground sign foundation, along with two (2) signed/sealed engineered drawings and calculations to the Novi Building Department.
