

**CITY OF NOVI CITY COUNCIL  
JUNE 22, 2026**

**SUBJECT:** Consideration of the City's 2026-2027 property and liability insurance coverage with Michigan Municipal League Liability and Property Pool in the amount of \$607,328.

**SUBMITTING DEPARTMENT:** Finance

**KEY HIGHLIGHTS:**

- The City has used Travelers Insurance for property and liability coverage since 2024 (via Kapnick Insurance Brokers)
- Kapnick received one quote when it went to the market, that was from Travelers
- City Administration engaged the Michigan Municipal League Liability and Property Pool for a quote
- The Finance and Administration Committee (FAC) discussed this matter at their June 1, 2026 meeting
- Increase of 4%

## **BACKGROUND INFORMATION:**

The City maintains comprehensive property and liability insurance coverage encompassing all municipal operations, facilities, and assets. Coverage includes City-owned buildings, infrastructure, vehicles, fire apparatus, heavy equipment, employees, elected officials, volunteers, cyber liability, regulatory takings/inverse condemnation, and sewer backup liability. The insurance program also provides coverage for the Library, Ice Arena, Meadowbrook Commons, and Water Fund.

Insurance premiums are established by underwriters based on several factors, including claims history, annual operating budget, staffing levels, public safety personnel counts, and the value of insured property, equipment, and vehicles. Over the past two fiscal years, the City has been insured through Travelers Insurance following a competitive market review conducted by the City's broker, Kapnick Insurance Group. While Travelers has provided liability coverage comparable to the City's previous program, staff has experienced challenges related to claims administration and municipal-specific expertise.

As part of the Fiscal Year 2026-27 renewal process, the City evaluated a proposal from the Michigan Municipal League Liability and Property Pool (MML). The MML Pool was created specifically to serve Michigan local governments and focuses exclusively on municipal risk management. The program is administered by experienced personnel who specialize in government operations, municipal liability, claims management, and loss prevention.

Importantly, the MML proposal provides liability coverage limits substantially equivalent to the City's current insurance tower, with approximately \$10 million in total liability protection. Therefore, the recommendation to transition to the MML Pool is not based on increased coverage limits, but rather on the value of partnering with an organization whose sole focus is serving municipal governments and supporting the unique legal protections afforded to public entities.

At the City's current deductible structure of \$25,000, the MML proposal was competitively priced relative to Travelers. Staff further evaluated alternative deductible options and determined that increasing the deductible to \$50,000 would reduce the City's annual premium while maintaining an acceptable level of risk retention. Based upon discussions with City leadership and a review of the City's historical claims experience, staff believes the increased deductible represents a prudent balance between premium savings and financial exposure.

An additional benefit of the MML Pool is its member dividend program. Beginning after the first renewal, participating members become eligible to receive a portion of any declared dividend based on the pool's overall performance. The City's share of any calculated dividend would increase over time, reaching 100 percent participation after the fifth renewal year. This feature provides the potential for future financial returns that are not available through a traditional commercial insurance program.

Based on the comparable coverage limits, specialized municipal expertise, improved claims support, competitive pricing, and the opportunity for future dividend

participation, staff recommends transitioning the City's liability and property insurance program to the Michigan Municipal League Liability and Property Pool for Fiscal Year 2026-27.

**RECOMMENDED ACTION:** Approval of the City's 2026-2027 property and liability insurance coverage with Michigan Municipal League Liability and Property Pool in the amount of \$607,328

# Executive Overview

---

The Michigan Municipal League Liability and Property Pool has been a stable source of comprehensive municipal insurance and risk management services since 1982. It is financially secure and positioned for long-term stability.

The Pool staff is made up of municipal insurance experts. Municipal risk management is our only business, and we're proud of it!

The Pool provides insurance coverage designed specifically for Michigan municipal exposures, combined with a package of loss control programs, claims administration, legal defense, and membership services that you won't find anywhere else in Michigan.

This quotation is based on the limits of coverage requested by the **City of Novi**. Higher limits may be available, subject to underwriting review by Pool Management. Please submit requests for higher limits in writing to your Account Executive. Your request will be considered by Pool Management.

The insurance and related services described more fully in this proposal are being offered to the **City of Novi** for an annual premium of **\$607,328**.

After the City's first renewal with the MML Liability & Property Pool, the City is eligible to receive returns of surplus (dividends) as follows:

- After 1<sup>st</sup> renewal – 10% of the calculated dividend
- After 2<sup>nd</sup> renewal – 25% of the calculated dividend
- After 3<sup>rd</sup> renewal – 50% of the calculated dividend
- After 4<sup>th</sup> renewal – 75% of the calculated dividend
- After 5<sup>th</sup> renewal – 100% of the calculated dividend

The reason for the staggered return is that the dividend is surplus money not used to pay claims or expenses. The surplus is from past years. It is only fair to return the dividend back to Members who have worked for the good experience that caused the surplus.

We encourage you to compare the Pool with our competition. Compare us based on price, coverage, service, financial security, experience, and commitment to municipal risk management. When you do, the advantages of Pool membership become clear.

Thank you for being a Pool member. We look forward to servicing your risk management program for many years to come.

## **Our Mission**

**To be a long-term, stable, cost-effective risk management alternative for members of the Michigan Municipal League Liability and Property Pool.**

## ***Benefits of Pooling with the MML***

- ✓ Proven long-term availability and stability
- ✓ Broad coverage document written specifically for Michigan municipalities
- ✓ Services tailored to unique needs of Michigan municipalities
- ✓ Member assets controlled by an elected Board of municipal officials
- ✓ Equitable rating based on Pool experience in Michigan
- ✓ Aggressive defense strategy – positive impact on case law
- ✓ Professional, dedicated, and experienced local management, oversight and service
- ✓ Decisions made and problems resolved by a group of your peers
- ✓ Investment income and underwriting surplus used to benefit members
- ✓ Lower expenses through tax-exempt and non-profit status
- ✓ Special loss avoidance training sessions including:
  - ✓ Safety aspects of emergency vehicle operations
  - ✓ Accident investigation for supervisors
  - ✓ Confined spaces training

**The advantages of pooling can be summarized by:**

**Service + Control + Value**

## ***City of Novi Has . . .***

- ✓ \$28,791,864 Annual Payroll
- ✓ \$156,071,106 of total values for real and personal property
- ✓ 73 Law enforcement officers
- ✓ 194 Vehicles
- ✓ 43 Vehicles with agreed values totaling \$6,881,390
- ✓ \$84 Michigan Catastrophic Claims Assessment (MCCA) per vehicle (was \$82/vehicle for 2025) ↓

## ***Increased Liability Limits***

We cannot guarantee the adequacy of any limit of liability. Due to the following factors, it may be prudent to consider higher limits:

- ✓ Increased jury awards in your jurisdiction
- ✓ Increased litigation trends
- ✓ Protection of tax base against judgments in excess of your policy limits

If you are interested in increasing your liability limits, please contact your Account Executive.

# Highlights of Coverages Provided

## Who Is Insured?

The Pool member entity, elected and appointed officials, employees and authorized volunteers, and any person officially appointed to a Board or Commission

# Membership Responsibilities

---

Membership in the Michigan Municipal League Liability and Property Pool provides numerous benefits. Likewise, individual members have certain responsibilities to the other members, which are detailed in the Intergovernmental Contract. The following is a summary of the membership responsibilities. Please refer to the Intergovernmental Contract, Articles 5 and 6, for more information.

- ✓ If a Member intends to leave the Pool, the Member must send a written notice to the Pool at least 60 days prior to its next renewal date.
- ✓ A Member must pay its premium when due. The Pool must give each member 20 days written notice of intent to terminate membership for nonpayment of premium. Payment of premium before the 20 days notice is effective will entitle the Member to reinstatement.
- ✓ Members must maintain membership or associate membership status in the Michigan Municipal League.
- ✓ A Member will allow attorneys employed by the Pool to represent the Member in defense of any claim made against the Member within the scope of coverage provided by the Pool. A Member will cooperate with the assigned attorneys, claims adjusters, service company or other agents of the Pool relating to the defense of claims for which the Pool is providing coverage.
- ✓ A Member will follow loss reduction and prevention measures established by the Pool.
- ✓ A Member will report to the Pool as promptly as possible all incidents that the Member reasonably believes may result in a claim against the Member.

***This proposal is intended to be only a summary of coverages and services. For specific details on coverage terms and conditions, please refer to the Michigan Municipal League Liability and Property Pool coverage document.***

Kapnick is compensated through commissions paid by insurance companies and/or fees paid by our clients.

Kapnick also has agreements with some insurance carriers whereas they may earn supplemental or contingent income based upon a number of factors including business volume, growth, retention and underwriting results of the overall book of business and not tied to a specific account. Information on any such agreements Kapnick may have with the client's insurance carriers is available upon written request.

Kapnick recommends insurance carriers to our clients based on cost, coverage, service capability and financial security -- not based on the existence of commissions and/or contingency agreements.

## TERRORISM RISK INSURANCE ACT

- Temporary program under which the Federal Government would share the risk of loss from future terrorist attacks with the insurance industry, recently extended to 01/01/2020.
- All commercial lines insurers are required to provide customers with a disclosure notice advising of the availability of coverage under The Act and the right to accept or reject coverage at the additional premium, if any, included within the notice.
- For a copy of the Act, relevant regulations, and other materials, visit the web site at: <http://www.treas.gov/offices/domestic-finance/financial/financial-institution/terrorism-insurance>

With the exception of Workers' Compensation, Commercial Auto, Professional Liability (other than Directors & Officers), Surety, Burglary and Theft, The Act gives you the right to accept/reject the offer of terrorism coverage. You may waive such coverage by signing a written statement. If accepted the premiums were included in the Premium Summary Page.

<u>Coverage</u>	<u>Accepted / Rejected</u>	<u>Premium</u>
Package – Liability, Inland Marine	Accepted	<b>Included</b>
Excess – Excluding Habitational	Accepted	<b>Included</b>
Excess - Habitational	Accepted	<b>\$2,534 plus tax (Premium pending)</b>

**Before rejecting, please check with your lender as they may require that you carry this coverage.**

**Note:** Actual coverage provided by your policy for acts of terrorism is limited by the terms, conditions, exclusions, limits, and provisions of your policy, any endorsements to the policy, and applicable rules of law.

# IMPORTANT INFORMATION

## POLICIES GOVERN COVERAGE

This description of coverage is necessarily brief and is not to be considered as complete or in any way superseding or extending the terms of the policies. The insuring agreements, terms and conditions of the placing carrier's policy forms will govern the actual coverage that will be provided. **Policy coverages, terms and conditions may change at time of renewal and when changing insurance companies. Upon request, specimen copies are available for your review.**

It is important to note that there may be additional coverage differences that have not been outlined in this proposal. This is a convenient coverage summary, not a legal contract. We encourage you to review the actual policies quoted/sold for specific terms, conditions, limitations, and exclusions that will govern in the event of loss, and contact us if you have any questions.

## CLIENT RESPONSIBILITIES

### Changes in Operations or Exposures:

Our presentation is based upon exposures to loss that presently exist and were made known to Kapnick Insurance Group. **Any changes in operations or exposures should be reported promptly in order that they may be properly insured.**

### Policy Limits:

It is the responsibility of the client to make sure limits are adequate. Kapnick Insurance Group understands that every business operation is unique and, therefore, recommends that you carefully review each of the coverage limits provided. We suggest you obtain a professional appraisal of your assets to properly assure adequate insurance to value. Please note that higher limits of coverage may be available to you.

A completed Business Income Worksheet is strongly recommended to analyze your coverage limit and necessary to obtain agreed amount coverage.

### Claim Reporting:

It is important to report workers' compensation claims directly to the carrier in a timely fashion. All other claim types should be reported directly to your Kapnick Commercial Claims Advocate. If our office is closed, please reach out directly to your insurance carrier to report your claim.

### Policy Premium:

Premiums for the policies are due and payable as billed, in full or as insurance company installments. Premiums may be financed, subject to acceptance by an approved finance company.

### Policy Audits:

Some policies are written on a "subject to audit" basis. It is the duty of the client to provide information to the insurance company when requested. Noncompliance could result in an additional premium charge.

## CONTRACTUAL RISK TRANSFER

### Contracts:

Prior to signing any contract or lease, Kapnick Insurance Group advises you to seek an attorney's opinion. Our review of any contract/lease is not to provide legal advice and is limited to what is clearly marked as being pertinent to the insurance coverage we place for your business. Your contract may be broader than the insurance provided.

### Proof of Insurance:

A certificate or any proof of insurance that we may provide is for informational purposes only and does not amend, extend, or alter coverage provided by the policies.

## KAPNICK RISK SERVICES CENTER

### Web-based risk management platform that is exclusive to Kapnick clients

We are pleased to present **Kapnick Risk Services Center**, a unique, web-based risk management platform and value-added service for our clients. The primary goal for any risk management program is to reduce injuries and improve profitability.

- The comprehensive **Safety Library and Resource Center** allows you to search among hundreds of documents and OSHA regulations instantly. With the click of a mouse you can access safety policies and programs, safety training presentations, safety posters, toolbox talks and many more valuable documents.
- With **Incident Track** you can document incidents in minutes including unsafe behaviors, near misses, incidents, OSHA recordables and claims. You can generate standard reports and get in-depth graphing and tracking capabilities that allow you to track and analyze your incidents by several criteria.
- Access to preferred pricing on **Motor Vehicle Reports** and **Background checks**.
- **HR Suite:** Here you will find the help you need to answer many of your questions that will save you time and money. The HR Suite contains thousands of pages of HR and benefits-related content, including COBRA, FMLA and HIPAA information and over 800 sample job descriptions. There is also over 500 downloadable HR and benefits forms, checklists and posters. Find your State and federal employment law information, downloadable posters and even how to hire and terminate employees to prevent wrongful termination lawsuits. There is even a downloadable sample Employee Handbook!
- **Certificate of Insurance tracking (COI Track)** – You need to collect and manage insurance certificates to make sure that all of your vendors, contractors, sub-contractors are properly insured. This time consuming task can take hours and tie up valuable staff time. COI Track helps you manage your Certificates of Insurance before a problem occurs and **saves you time and money!!**
- **Training Track:** Regulatory agencies, like OSHA and DOT have numerous training requirements. Additionally, your company likely provides training on numerous topics and must manage employee licenses and certifications. Training Track automates the tracking of certifications and scheduling of employee safety training. Generate comprehensive reports for any tracking need. This tool has also been used by Kapnick clients to track everything from building maintenance to fire extinguisher inspections!!
- **JSA Track:** Job safety analysis is a valuable and important step to evaluate individual jobs by breaking them into component parts. It is also an important component in complying with the Americans with Disabilities Act (ADA) and identifying the physical requirements for Workers Compensation return to duty programs. JSA Track saves you time and money by helping you do this in an automated format.
- **MSDS Track:** OSHA's Hazard Communication (Employee Right to Know) standard requires that Material Safety Data Sheets (MSDS) be collected for chemicals at every work site. Collecting, storing, categorizing and updating these sheets is time consuming and frustrating! MSDS Track saves time and money by managing MSDS electronically for your entire organization. Click and store MSDS instantly through available resource links.

## A.M. BEST RATINGS AND COMPANY STATUS

A.M. Best is a company that assigns ratings to insurance companies assessing their financial strength. These ratings range from A++ to F and provide an opinion of an insurer's financial strength and ability to meet ongoing obligations to policy holders.

### Secure Best's Ratings

A++ and A+ (Superior)

Assigned to companies that have, on balance, superior balance sheet strength and operating performance. These companies according to A.M. Best, have a very strong ability to meet their ongoing obligations to policyholders.

A and A- (Excellent)

Assigned to companies that have, on balance, excellent balance sheet strength and operating performance. These companies, according to A.M. Best, have a strong ability to meet their ongoing obligations to policyholders.

B and B+ (Very Good)

Assigned to companies that have, on balance, very good balance sheet strength and operating performance. These companies, according to A.M. Best, have a good ability to meet their ongoing obligations to policyholders.

### Admitted Insurance Companies

Admitted Insurance companies are licensed by each state and regulated by each state's Insurance Department. They are required to be a member of each states' guaranty association as a condition of their authority to transact business in that state. The guaranty association's purpose is to provide limited coverage as defined by guaranty association statutes on behalf of an insolvent insurer in that state. Certain criteria established by the guaranty association may preclude coverage for some policyholders entirely. Premium taxes / assessments are included in the rates.

### Non-Admitted Insurance Companies

Non-Admitted Insurance companies are not licensed by the state in which the insured is located, and are not subject to its supervision. They usually underwrite risks for which insurance coverage may not be available through Admitted Insurance Companies. In the event of an insolvency of a non-admitted carrier, claims will not be paid by the state guaranty association. Premium taxes are not included in the rates and must be paid separately, but are included in the premium summary.

## A.M. BEST RATINGS AND COMPANY STATUS

### Financial Size Category

To enhance the usefulness of ratings, A.M. Best assigns each rated (A++ through D) insurance company a Financial Size Category (FSC). The FSC is based on adjusted policyholders' surplus (PHS) in U.S. dollars and may be impacted by foreign currency fluctuations. The FSC is designated to provide a convenient indicator of the size of a company in terms of its statutory surplus and related accounts.

Many insurance buyers only want to consider buying insurance coverage from companies that they believe have sufficient financial capacity to provide the necessary policy limits to insure their risks. Although companies utilize reinsurance to reduce their net retention on the policy limits they underwrite, many buyers still feel more comfortable buying from companies perceived to have greater financial capacity.

<b>Class</b>	<b>Adj. PHS (\$ Millions)</b>	<b>Class</b>	<b>Adj. PHS (\$ Millions)</b>
I	Less than 1	IX	250 to 500
II	1 to 2	X	500 to 750

# COINSURANCE CLAUSE EXPLAINED

## What is Coinsurance?

Coinsurance is simply an agreement between you and the insurance company, wherein, you agree to carry insurance on your property in an equal amount to at least (80%, 90% or 100%) of its Actual Cash Value (or Replacement Cost). In return for doing this, you receive a rate credit.

## How Does it Operate?

### Example I

Let us assume that the cash value of the property is \$100,000. If insurance is carried for \$90,000 or more, the company will pay the entire loss up to the face value or amount shown on the policy at 90% coinsurance.

Value	Insurance	Loss	Company Pays
\$100,000	\$90,000	\$60,000	\$60,000
\$100,000	\$90,000	\$90,000	\$90,000
\$100,000	\$90,000	\$100,000	\$90,000

### Example II

Assume insurance is carried for \$60,000:

Value	Insurance	Loss	Company Pays
\$100,000	\$60,000	\$50,000	\$33,333
Did carry / Should have carried x Claim			=Payment
\$60,000 / \$90,000		x \$50,000	=\$33,333

**Note:** The coinsurance clause refers to the Actual Cash Value *at the time of loss*. It is therefore strongly recommended that appraisals of property be made by reliable appraisal companies and that these appraisals be kept up-to-date at all times. We recommend at least an annual review of values and adjustment of insurance coverage.
