CITY OF NOVI CITY COUNCIL DECEMBER 6, 2021

SUBJECT: Approval to revise Traffic Control Order 11-36 and 11-37 related to a No

Parking Zone located at the intersection of 12-1/2 Mile Road and Dixon

Road.

SUBMITTING DEPARTMENT: Department of Public Works, Engineering Division

BACKGROUND INFORMATION:

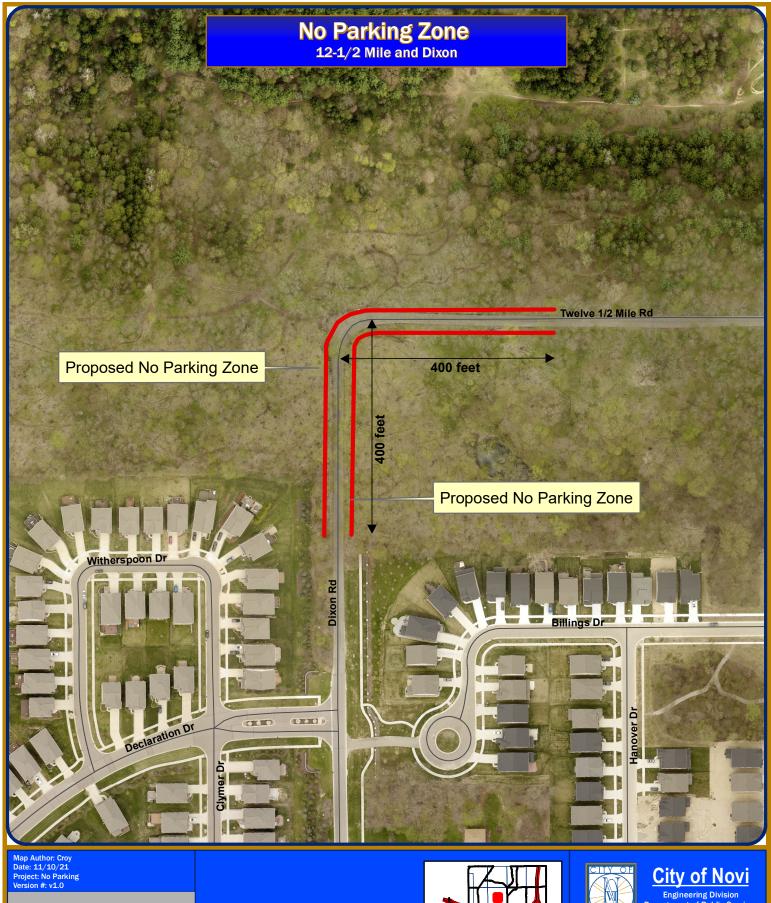

The intersection of 12-1/2 Mile Road and Dixon Road is frequently used for parking to access the mountain bike and hiking trails in Lakeshore Park. Vehicles using this area park on the shoulder of the road where no actual designated parking has been established. Given the radius at this intersection and the limited width, vehicles parked here often obstruct traffic and impair sight distance around the curve. Currently, a portion of the intersection has restrictions, with two gaps where parking has been permitted. However, due to interference with traffic and motorist complaints, the Engineering Division and the Police Department determined parking should be restricted throughout the entire intersection. Therefore, the revisions to TCO 11-36 and 11-37 propose to prevent on-street parking along the north and south sides of 12-1/2 Mile, and the east and west sides of Dixon Road, both to a point 400 feet from the intersection.

To help alleviate the parking needs in this area, a new parking area has been constructed to the east on the north side of 12-1/2 Mile, providing parking for ten vehicles. Additional signage may be provided to notify park users of the available parking and trail access from Lakeshore Park when accessed from South Lake Drive.

Traffic control orders are required under the Uniform Traffic Code to enforce traffic control signs installed on public streets. Staff has prepared the following traffic control orders for approval by City Council.

TCO No.	Description
11-36	Revise TCO 11-36 No on-street parking on 12-1/2 Mile Road from
	Dixon Road to 400 feet east of Dixon Road.
11-37	Revise TCO 11-37 No on-street parking on Dixon Road from 12-1/2
	Mile Road to 400 feet south of 12-1/2 Mile Road.

RECOMMENDED ACTION: Approval to revise Traffic Control Order 11-36 and 11-37 related to a No Parking Zone located at the intersection of 12-1/2 Mile Road and Dixon Road.
