

CITY of NOVI CITY COUNCIL

**Agenda Item G
November 12, 2013**

SUBJECT: Approval of traffic control order 13-37 to prohibit the parking of trailers along the west side of East Lake Drive near 13 Mile Road.

SUBMITTING DEPARTMENT: Department of Public Services, Engineering Division *BTC*

CITY MANAGER APPROVAL: *[Signature]*

BACKGROUND INFORMATION:

The development of Pavilion Shore Park added several parking spaces not only within the Park, but also parallel spaces along the west side of East Lake Drive. These new parking spaces are in close proximity to the Endwell road end that has been used to launch boats into Walled Lake (see attached map). The parking of boat trailers on park property was addressed with revisions to the Parks and Recreation Ordinance in July 2013 which prohibits the parking of any type of trailer at any time within a City park. The parallel parking stalls along East Lake Drive are technically within the right-of-way of East Lake Drive; therefore a traffic control order along with posted signs prohibiting trailer parking in these stalls would be appropriate.

The installation of the new traffic control signs will be completed by DPS Field Operations as part of the budgeted sign replacement program. The attached map shows the proposed location of the signs.

RECOMMENDED ACTION: Approval of traffic control order 13-37 to prohibit the parking of trailers along the west side of East Lake Drive near 13 Mile Road.
