Community Development Department

Case No. PZ14-0008 (Feldman Automotive) 42355 Grand River Ave

Location: 42355 Grand River

Zoning District: B-3, Business District

The applicant is requesting a variance from CITY OF NOVI, CODE OF ORDINANCES, Section 28-5(3) to allow an oversize ground directional sign of 15 square feet for an existing automotive dealership. The property is located south of Grand River and east of Novi Road. Previous variance 08-014 approved a sign of this size and location specifically for Hertz car rentals.

Ordinance Sections:

CITY OF NOVI, CODE OF ORDINANCES, Section 28-5(3) number of on-premises advertising signs permitted states: "No building or parcel of land shall be allowed more than one (1) sign..."

City of Novi Staff Comments:

The applicant was previously granted approval for an additional ground sign in place of a directional sign specific to the Hertz Rental Car use. The applicant is now requesting approval to reface that sign to supplement the other signage advertising the general auto dealership business. Staff cannot support the request as the failure to grant relief will not unreasonably prevent or limit the use of the property and will result in substantially more than mere inconvenience or inability to attain a higher economic or financial return.

Standards for Granting a Sign Variance

CITY OF NOVI, CODE OF ORDINANCES, Section 28-16 addresses Sign Variance Appeals:

- The failure to grant relief will unreasonably prevent or limit the use of the property and will result in substantially more than mere inconvenience or inability to attain a higher economic or financial return because
- The grant of relief will not result in a use of structure that is incompatible
 with or unreasonably interferes with adjacent or surrounding properties,
 will result in substantial justice being done to both the applicant and
 adjacent or surrounding properties, and is not inconsistent with the spirit of
 the ordinance because
