**BACKGROUND INFORMATION:**

The Department of Public Works is responsible for clearing snow and ice from sidewalks and pathways along selected major roads and in front of City-owned parcels. The Parks Maintenance Division has requested clearing of pathways in four parks be included in this award- Pavilion Shore Park, Brookfarm Park, ITC Community Sports Park, and Lakeshore Park. Clearing these segments of the non-motorized network each winter helps make Novi a more walkable community year-round.

DPW recently solicited unit price bids for snow removal services for the non-motorized segments depicted on the attached map. The scope of this service consists of clearing snow whenever a two-inch or greater snow accumulation exists from approximately 37 miles of sidewalks and pathways; approximately 10 miles more than in previous seasons.

The attached Invitation to Bid stipulates unit prices on a “per push” basis will be paid for each event the contractor is called to perform the service. The contract period will be for one year; and upon mutual consent of the City of Novi and the contractor, the contract may be renewed two times in one-year increments at the same terms and conditions of the original contract.

Two bids were received and opened on August 31, 2021, following a public bid solicitation period. The bid package was placed on the Michigan Inter-governmental Trade Network (MITN) under the category of Snow Removal Services and advertised to 200 companies. Fourteen firms downloaded the specifications. A-Team Snow and Ice Control and B&B Landscaping were the only firms to submit bids. B&B Landscaping was the low bidder. A table summarizing unit pricing for services is included in the packet.

**RECOMMENDED ACTION:** Approval to award a unit price contract for major pathways snow removal services to B&B Landscaping, Inc, the low bidder, for an estimated annual amount of \$114,158.64, and amend the budget. The contract term is one year with two one-year renewal options.

**SAMPLE AGREEMENT**

**CONTRACT FOR SNOW REMOVAL SERVICES – MAJOR PATHWAYS**

**THIS CONTRACT FOR SERVICES** ("Contract"), shall be considered as made and entered into as of the date of the last signature ("Effective Date"), and is between the City of Novi, a Michigan municipal corporation, whose address is 45175 Ten Mile, Novi, Michigan 48375, (hereinafter referred to as "Client"), and \_\_\_\_\_, whose address is \_\_\_\_\_, (hereinafter referred to as "Contractor").

**THE CLIENT AND CONTRACTOR AGREE AS FOLLOWS:**

**Article I. Statement and Performance of Work.**

For payment by the Client as provided under this Contract, Contractor shall provide the materials and perform the services described on and in Schedule A (the "Work"), which is attached hereto and made a part of this Contract by this reference, in a competent, accurate, efficient, timely, good, professional, thorough, complete and responsible manner, and in compliance with the terms and conditions set forth below.

**Article II. Timing of Performance.**

Performance of this Contract shall commence on \_\_\_\_\_ and end on \_\_\_\_\_. Upon mutual consent of the Client and the Contractor, the contract may be renewed two (2) additional years in one (1) year increments at the same prices, terms, and conditions of the original contract.

**Article III. Contract Price and Payment.**

Subject to the terms and conditions of this Contract, the Client agrees to pay Contractor based on unit pricing for services as specifically set forth in the completed Proposal attached which are part of the attached Schedule A. Such payments are in exchange for and consideration of the timely and satisfactory performance and completion of the work required under and pursuant to this Contract. The Client agrees to pay Contractor amounts due after receipt of an itemized billing/invoice from Contractor detailing all work which has been performed in connection with the billing and charges applicable to each such item. Such itemized billings shall be submitted and shall be paid only upon satisfactory completion of the work itemized in the billing. Such payments will be made pursuant to City policy and approval by City Council.

All costs and expenses incurred by Contractor under this Contract are deemed to be included in the amounts set forth in Schedule A, unless specifically identified in Schedule A as reimbursable expenses and such expenses have been approved by the Client or its designee. Contractor will obtain written approval of the Client prior to proceeding with any work that is not stated on Schedule A; otherwise, the Client will not be billed for such extra/additional work.

Payments shall be made upon verification of invoices received by the Client. All payments to Contractor shall be submitted by mail at Contractor's address first listed above, unless Contractor provides written notice of a change in the address to which such payments are to be sent.

**Article IV: Termination.**

- A. 1. For cause: In the event that either party shall breach the terms and conditions of this Contract, the aggrieved party may notify the other party, in writing via certified mail, of such breach and demand that the same be remedied within ten (10) days. If the defaulting party fails to remedy the breach as demanded, the aggrieved party shall then have the right to terminate by giving the defaulting party thirty (30) days written notice. In addition, if at any time a voluntary petition in bankruptcy shall be filed against either party and shall not be dismissed within thirty (30) days, or if either party shall take advantage of any insolvency law, or if a receiver or trustee of any of a party's property shall be appointed and such appointments shall not be vacated within thirty (30) days, the other party shall have the right, in addition to any other rights of whatsoever nature that it may have at law or in equity, to terminate by giving thirty (30) days' notice in writing of such termination.
2. For convenience: The Client may terminate the agreement, in whole or in part, without showing cause upon giving thirty (30) days written notice to the Contractor. The Client shall pay all reasonable costs incurred by the Client up to the date of notice of termination. The Contractor will not be reimbursed for any anticipatory profits that have not been earned up to the date of notice of termination.
- B. In the event this Contract is terminated before completion, the Client shall not be responsible to make any further payments for work performed after the effective date of such termination, and shall pay Contractor for such materials as have been delivered and for such work as has been completed and is eligible for payment under the terms of this Contract through the date of such termination. In all events, the Client shall only be responsible to make the payments described in the preceding sentence if, at the Client's request, Contractor continues to fully perform its duties and obligations in full compliance with the terms of this Contract through the effective date of the termination.

**Article V: Independent Contractor/Vendor Relationship.**

- A. In the performance of this Contract, the relationship of Contractor to the Client shall be that of an independent contractor and/or vendor and not that of an employee or agent of Client. Contractor is and shall perform under this Contract as an independent contractor and/or vendor, and no liability or responsibility with respect to benefits of any kind, including without limitation, medical benefits, worker's compensation, pension rights, or other rights or liabilities arising out of or related to a contract for hire or employer/employee relationship shall arise or accrue to either party as a result of the performance of this Contract.

Contractor, as an independent contractor and/or vendor, is not authorized to enter into or sign any agreements on behalf of the Client or to make any representations to third parties that are binding upon the Client.

- B. Contractor represents that it will dedicate sufficient resources and provide all necessary personnel required to perform the work described in Schedule A in

accordance with the terms and conditions of this Contract. Except as may be specifically stated and agreed to in Schedule A, Contractor shall perform all of the work under this Contract and no other person or entity shall be assigned or sub-contracted to perform the work, or any part thereof, unless approved by the Client in advance.

### **Article VI:           Liability and Insurance.**

- A. Contractor agrees to indemnify and hold harmless the Client, its elected and appointed officials and employees, from and against any and all claims, demands, suits, losses and settlements, including actual attorney fees incurred and all costs connected therewith, for any damages which may be asserted, claimed or recovered against the Client by reason of (i) personal injury, death and/or property damages which arises out of or is in any way connected or associated with the actions or inactions of Contractor in performing or failing to perform the work; or (ii) civil damages which arise out of any dispute between Contractor and its subcontractors, affiliates, employees or other private third parties in connection with this Contract. Contractor specifically agrees that it is Contractor's responsibility, and not the responsibility of the Client, to safeguard the property and materials used in performing this Contract. Contractor agrees to hold the City harmless from any loss of or damage to such property and materials used in connection with Contractor's performance of this Contract.
- B. Contractor shall provide evidence of adequate insurance coverage in the types and amounts set forth on Schedule A, which is attached hereto and incorporated herein by this reference. Such insurance shall be maintained at the specified level of coverage throughout the term of this Contract, including any extension of such term, and will cover all work, acts and omissions by and on behalf of Contractor in connection with this Contract, with the Client as named additional insureds, but with such coverage being primary and non-contributory as described in the attached Schedule A.

Contractor represents that it is in compliance with all such laws and eligible and qualified to enter into this Contract.
- C. Governing Law. This Contract shall be governed by the laws of the State of Michigan.
- D. Assignment. Contractor shall not assign this Contract or any part thereof without the written consent of the Client. This Contract shall be binding on the parties, their successors, assigns and legal representatives.
- E. Third Parties. It is the intention of the parties hereto that this Agreement is not made for the benefit of any private third party. It is acknowledged that Client may receive a portion of the funding for the payments under this Contract from one or more private sources, and it is understood by Contractor that it is hired by Client to work exclusively for Client and Contractor agrees that no private party or parties will be allowed to hold sway or influence, in any way, over Contractor's performance of the work.
