CITY OF NOVI CITY COUNCIL SEPTEMBER 27, 2021

SUBJECT: Approval to purchase five (5) 2022 Ford Police Hybrid Explorer vehicles for the Novi Police Department from Signature Ford through the Macomb County cooperative purchasing contract, in the amount of \$181,015.

SUBMITTING DEPARTMENT: Public Safety, Police Department Department of Public Works, Fleet Division

EXPENDITURE REQUIRED	\$ 181,015
AMOUNT BUDGETED	\$ 300,000
APPROPRIATION REQUIRED	\$0
LINE ITEM NUMBER	266-266.00-983.000

BACKGROUND INFORMATION:

The new 2022 Ford Police Hybrid Explorers will be replacing five marked vehicles used by the Uniformed Officers Section of the Police Department. These vehicles are used for patrol. All the current vehicles will be at or over 100,000 miles over the next year. The current union contract requires public safety vehicles be removed from emergency service at 100,000 miles.

Ford Police Hybrid Explorers were introduced to the police's fleet in 2020 and have fit the needs of the department, while also fulfilling City Council's sustainability goals.

RECOMMENDED ACTION:

Approval to purchase five (5) 2022 Ford Police Hybrid Explorer vehicles for the Novi Police Department from Signature Ford through the Macomb County cooperative purchasing contract, in the amount of \$181,015.

2022 FORD POLICE INTERCEPTOR® UTILITY

¹Actual mileage will vary. 2021 Ford Explorer[®] Police Interceptor Utility 3.3L Hybrid 4WD. ²Calculation based on comparison with the previous-generation 3.7L V6 Police Interceptor Utility and an example fuel price of \$2.75 per gallon. (See computations on next page.) ³www.michigan.gov/msp and www.lasd.org. ⁴Based on the 0-60 mph, 0-80 mph, 0-100 mph, top speed and vehicle dynamics lap time testing results from the Model Year 2021 Michigan State Police Vehicle Evaluation Program. ⁵Assembled in the U.S.A. with domestic and foreign parts. ⁶2-year subscription for Ford Telematics starts on vehicle warranty start date. Subscription features may be limited. Factors causing this limitation may include, but are not limited to, issues related to cellular coverage, carrier outages and carrier network service interruptions. Complimentary service ends after 2 years. ⁷The full-size spare tire secured in the factory location is necessary to achieve police-rated 75-mph rear-impact crash-test performance attributes.

NO-TRADE-OFFS HYBRID – STANDARD

....

The Ford Police Interceptor Utility Hybrid AWD is the only pursuitrated hybrid SUV: fortified with standard full-time Intelligent AWD, an amazing 3.3L V6 hybrid engine and a 10-speed transmission.

Potential fuel savings: The hybrid powertrain offers significant potential reductions in fuel use when decreased engine idle times and an EPA-estimated rating of 23 city/24 combined miles per gallon¹ are factored in, potentially saving \$3,509 per vehicle per year.²

Michigan State Police and Los Angeles County Sheriff's Department conduct rigorous evaluations of police vehicles each year. Reports from those evaluations, including acceleration figures, lap times and topspeed numbers, can be found on their websites.³

When equipped with the 3.OL EcoBoost® engine, the Police Interceptor Utility outperformed all police competitors – including V8equipped models – that participated in official Michigan State Police testing.⁴

Assembled in the U.S.A.⁵ with duty-ready technology (like the available 12.1" Integrated Computer Screen [ICS]), the Police Interceptor Utility is designed and engineered in Dearborn and assembled in Chicago: Its abundance of standard features means there's a lot of potential value for taxpayers' money. The built-in Ford modem and complimentary 2-year Ford Telematics[™] subscription⁶ make for timely cloud-based, manufacturer-grade insights to help optimize running costs and improve asset utilization. Bluetooth[®] wireless connectivity allows for pass-through voice commands to mobile devices at the touch of a button.

Exceptional safety: The Police Interceptor Utility is 75-mph rearimpact crash tested.⁷ It proudly proclaims to be the only vehicle in the world engineered to meet this test.

Note: See additional Police Interceptor Utility DNA on pages 20-29.
